**Report:**

An online workshop was organised by IIC TIAS under the ambit of Capability Enhancement Scheme on 21.03.2022. The topic was Entrepreneurship Skill, Attitude and Behaviour Development. The speaker for the session was Mr. Ratish Gaurav, Senior Manager HCL Technologies. The speaker defined entrepreneurship through examples as an ability and readiness to develop, organise and run a business enterprise along with any of its uncertainties to make profit. He said that entrepreneur often bring new idea and changes in the market. He described that journey of the entrepreneurs pass thorough stages from identifying problem, define objective, developing PoC, developing prototype, developing a team, arranging finances, developing the product, marketing and taking feedback for betterment of the product. He discussed the skills required to become successful entrepreneur. He said that team building, delegation of work, good communications, sales skills, marketing skills and using digital space effectively were the examples of skills that an entrepreneur must have. He further added that these skills can be improved by working on it. He briefed the attendees about the attitude and entrepreneurial behaviour and emphasized that a true entrepreneur is always focused and directed, has clarity of thoughts, has full confidence in himself and ready to take risk. He further added that he/she must be good in team building, tasking and scheduling and possess good communication skill. He discussed that entrepreneurship is important as it creates employment, provides innovation, raises employment, increase standard of living and support research and development. The one hour interactive session was full of examples from business world like CCD and TATA etc. It was well coordinated and was well received by the attendees. Earlier Dr. Ajay Kumar, Director, TIAS spoke about the innovation and Ideation and its importance and Dr. Nivedita, Head Training and Placement Cell and In Charge IIC welcomed everyone and introduced to the students about the speakers and objective of the workshop. The session ended with a vote of thanks by Dr. Nivedita, Head Training and Placement and In-charge IIC TIAS and feedback collection.

**Learning Outcome:**

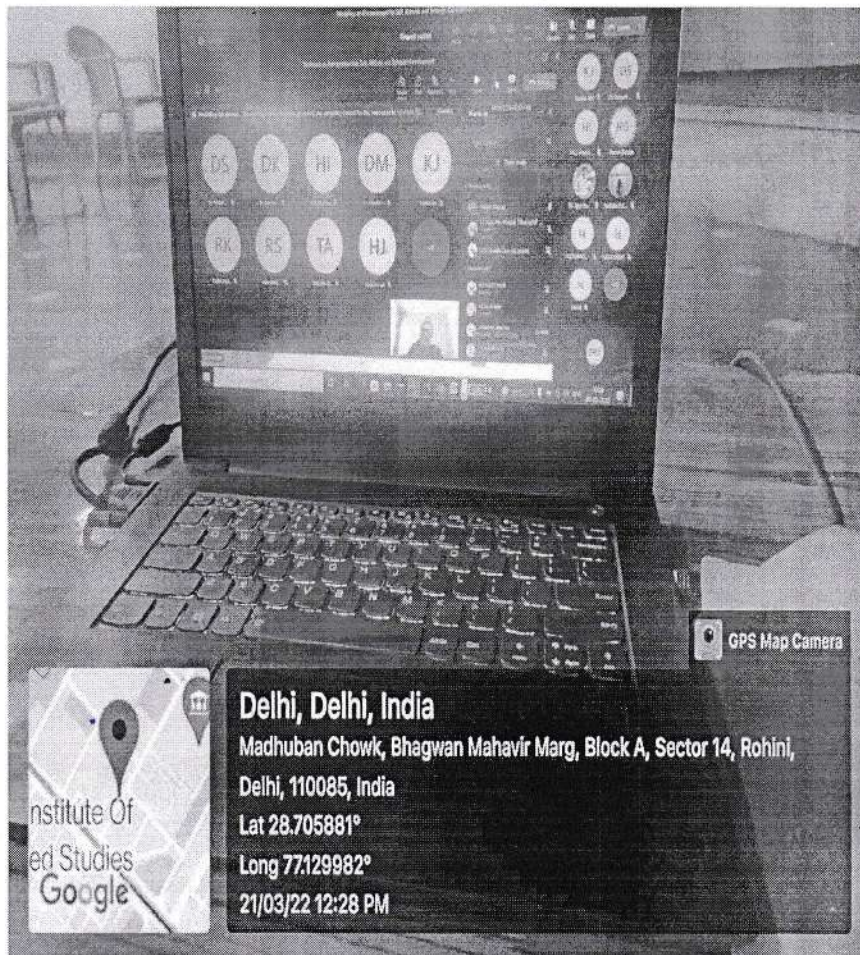

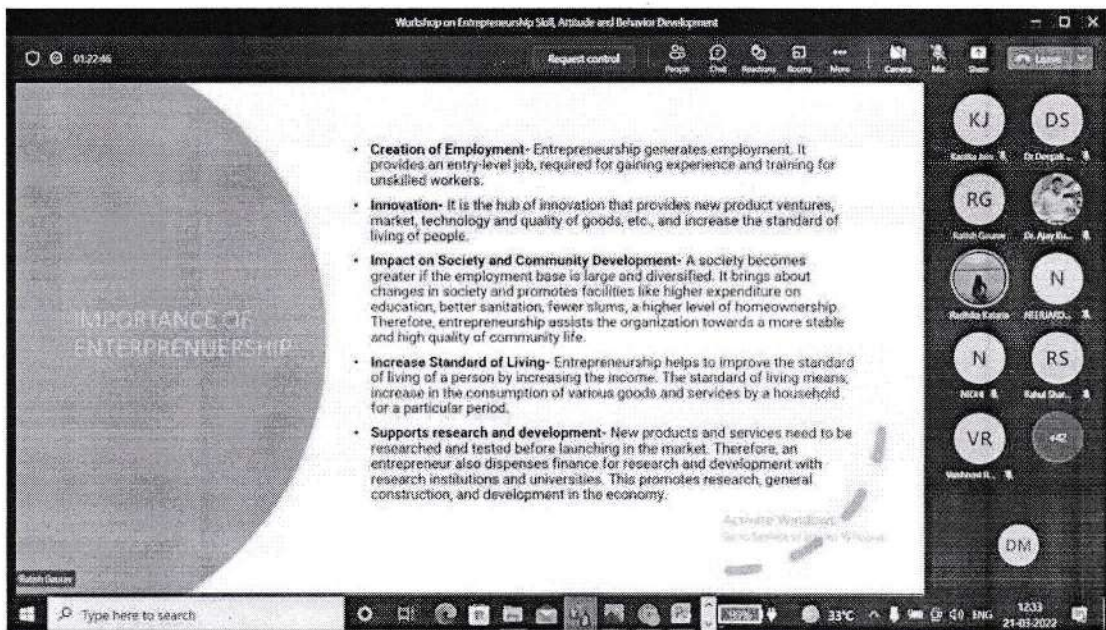

- Students will able to understand the meaning of entrepreneurship after attending the webinar.
- Students will able to aware about the stages of entrepreneurship after attending the webinar.
- Students will able to develop about the skills of entrepreneurship after attending the webinar.
- Students will able to understand the attitude for entrepreneurship after attending the webinar.
- Students will able to develop the entrepreneurial behaviour after attending the webinar.
