The aim of this extension activity was to make the students understand that sharing is one of the best ways to express care and feel happiness. The theme of drive is “An Opportunity to give back to the community and put a smile on the faces of others”</p> <p>The students, faculty members as well as the non-teaching staff of the Institute donated generously in the collection drive, thus making it a huge success. After the completion of the collection process, the volunteers categorized the donated books and stationary based on age groups. For distribution the collected items to the needy we reached to Bhalswa Dairy on 8th June 2023. The books and stationary were distributed to the students according to their classes and ages. The “Books in Hand, Dreams at Heart: Donate Now” campaign was a resounding success. By providing students with much-needed books, the Happiness Club has not only supported their education but also fostered hope and curiosity in their young minds. The initiative’s impact will be felt in classrooms and homes for years to come, as these students use the donated books to pursue their academic dreams and unlock new opportunities. The Happiness Club remains committed to future efforts in promoting education and empowerment through community-driven initiatives and looks forward to launching similar campaigns to further extend the reach of this impactful work.</p> |
