Report

(Additional Information)

The "Ek Bharat Shreshtha Bharat" (EBSB) programmes was announced by the Hon'ble Prime Minister on 31st October 2015 on the occasion of the 140th birth anniversary of Sardar Vallabhbhai Patel. The main aim of this scheme is to enhance interaction and promote mutual understanding between people of different paired states i.e. Delhi and Sikkim. Through this innovative measure, the knowledge of the culture, traditions, and practices of different states & UTs will lead to an enhanced understanding and bonding between the states, thereby strengthening the unity and integrity of India. Therefore, an essential initiative to develop a sense of social integration, the EBSB club of Tecnia Institute of Advanced Studies (TIAS), Rohini has organized an event; "Film Screening of Partnering state Sikkim" on 14th October, 2023 around 10:00 am.

The event was conducted in the classroom at first floor, TIAS and an English language Sikkim movie was shown to students to spread the culture of Sikkim. Through this, students get awareness about Sikkim History, traditions and cultures. There were total 26 students who enthusiastically participated in this event and learnt a valuable message from it.

Firstly, the Nodal officer **Dr. Puja Devi** introduced about the key motive behind the Screening of the film and educated students about the pairing state. It included various aspects like In 1950 the Indo-Sikkimese Treaty made Sikkim an Indian protectorate, with India assuming responsibility for the external relations, defense, and strategic communications of Sikkim and more. Thereafter, students saw the movie and understood History in depth with visuals. Moreover, they also discussed their languages and famous cuisine. Moreover, students participated and learnt noteworthy things.

In conclusion students appreciated the cultural diversity of India and got inspired from the stories, different languages and dialects spoken in Sikkim, fostering linguistic diversity. By Conducting Interactive and knowledgeable activities, the students of EBSB club strive to promote diversity and social integration among the different paired states people.)
