MANDATORY REQUIREMENTS

You are required to read this section and the more detailed **New Student Guide** sent with your Offer letter or available at <https://www.georgebrown.ca/international/accepted/nextsteps/>. For students who deferred from the previous semester, re-applied and received an offer to the September 2022 semester, you are also required to follow these steps and read the updated guide.

OTHER CRITICAL STEPS

Reset Your Password

- If you have not already reset your password, you will need to log in at <https://service.georgebrown.ca> with the Student ID and Password you received on your Letter of Acceptance, create a new password and set-up some security questions. Your new password will be valid for one year and will expire automatically every year.
- If you have problems with your password or you are unable to log in to Stu-View or you have difficulty registering for courses, please call 1-416-415-2000 or 1-800-265-2002 for help. Press option 1, then press 0 to speak to an agent directly. You can also contact <http://ask.georgebrown.ca/> for help.

Register for Courses

- **Register online** for the courses in your program at <http://stuvview.georgebrown.ca/> using your Student ID and Password. The registration start date for programs and respective semesters will be available on Stu-View on **July 04, 2022**. Online registration will start on **July 18, 2022**. Choose your courses and register as early as possible after registration opens or the course may fill up and you will not be able to take it when you want to.

Arrange for Placement Testing for English/Math

Most post-secondary students are required to take the Placement Test for English or Math or both depending on individual program requirements. There is no fee for the test.

- You are **not** required to take the Placement test if you:
 - have already taken an Admissions Assessment (test) to be admitted to the College. For students who have already taken the Admissions Assessment, the results of that test will be used to place you in the appropriate English and Math courses.
- **OR**
 - are applying for a Post-Graduate Certificate or Degree program
- Placement Testing determines if you are ready to take the college-level courses in English and/or math in the first semester, or if you need to take a foundation-level course first to further develop your skills. Therefore, the Placement Test is a very important part of your academic success. The Placement Test is not a pass or fail.
- Please check the programs requiring placement testing at <https://www.georgebrown.ca/assessment/placement/> and arrange for your Placement Test(s) through Stu-View when registering for your courses (see previous section). Plan to visit the Information about Assessment page at <https://www.georgebrown.ca/assessment-centre/testing-services/placement-assessments> to prepare, so that your test results place you in a course that reflects your skill level.
- It is best to take the Placement Test as early as possible. There is a deadline to take a Placement Test. **However, for those still outside Canada, please check your options** at <https://www.georgebrown.ca/assessment-centre/testing-services/placement-assessments> before classes start. If you do not take the Placement Test, you will be automatically placed in foundation-level courses. The last day to take the Placement Test for English & Math for students who were automatically placed in foundation course(s) is September 12, 2022 (first year students only).
- Remember, if you take the test and achieve the appropriate score on time, you may be exempted from Foundation level and go straight to College-level English and/or math. If you get this exemption, you won't have to pay extra course fees.
- If you are placed in a Foundation-level course, the course will be automatically included in your timetable (in block-based programs) or will be available for registration through your Stu-View account (in course-based programs). Your placement into a foundation-level course will not affect your start in the program and you will still take your core courses scheduled for the semester.
- Upon successful completion of your Foundation-level course(s), you will be able to take College-level English and /or mathematics course(s). **You will be charged a full course fee for the additional course(s)** when you register for your College-level course, usually in Semester 2. This fee could vary, but may range from \$1000-1500 for international students. If available, you may also be able to take an evening equivalent of this College-level course through the George Brown Continuing Education department at a lower fee. Please see here for availability: <http://coned.georgebrown.ca/>

Activate your George Brown Student E-mail Address

- Your George Brown e-mail account must be activated to receive communication from College staff and teachers at <http://www.georgebrown.ca/studentemail/index.aspx>

Attend Classes by the Deadline Date

September 12, 2022 is the last date to attend the program in September 2022. There are no extensions past that date. Students who fail to attend the first week will not be admitted into the class. If you are not able to arrive and be in class by **September 12, 2022**, you must do two things:

One, you must immediately withdraw from the program to avoid being charged one semester's fees by going to this link at www.georgebrown.ca/international/accepted/withdrawal_refund_policy/ to withdraw and or request a refund of fees paid less the administrative charge. Complete the Withdrawal/Refund form and send to intlwithdrawal@georgebrown.ca right away.

Two, if you want to defer to the next available intake, notify your Admissions Officer immediately for instructions on deferring your program.

Deferral to a future term, however, does not guarantee you a seat as programs could already be closed due to the volume of applications already received.

Please note program deferrals to the next semester will not automatically withdraw you from already registered courses so it is very important to follow step one above.

SPECIAL NOTE ON PROGRAMS WITH WORK INTEGRATED LEARNING (WIL) COMPONENTS (CO-OP, INTERNSHIP, EXTERNSHIP, FIELD PLACEMENTS, ETC)

We anticipate that all aspects of programs will be fulfilled before graduation. Please note that the timing of when certain components are completed may shift depending on guidelines from Public Health Officials and the Government.

REQUIRED VISAS AND PERMITS (With the evolving Covid-19 pandemic, we recommend that students and applicants stay up to date with any immigration policy changes that relate to the current situation. Please visit

<https://www.canada.ca/en/immigration-refugees-citizenship/services/coronavirus-covid19/students.html>.)

Study Permits

- A valid Study Permit (Visa) must be obtained at the Canadian Consulate/Embassy nearest you to study at George Brown College. Students currently holding a study permit/visa and transferring from high school/secondary are now allowed by IRCC to study at post-secondary institutions as long as the Study Permit is valid.
- All Study Permit applicants must record the George Brown College **Designated Learning Institution (DLI) Number** O19283850612 on their study permit applications. (Note that the first character of the DLI number is a capital letter O and not a zero).
- International students are now required to **submit a copy of their Study Permit electronically** to the International Centre. Please visit applynow.georgebrown.ca/International/studypermitupload to upload a copy of your study permit and enter a few pieces of information from your permit. You will receive a notification once it has been accepted by International Centre staff.

Work Permits

- International students who are undertaking any kind of field education, regardless of length, paid or unpaid, must have a valid co-op work permit, which can be applied for at the same time as your study permit.
- The work permit is a document required by Immigration, Refugees and Citizenship Canada (IRCC) before you can start your field placement, work placement, externship, practicum or volunteer work, even if they are unpaid.
- For programs that require clinical placements or internships involving healthcare settings and or interaction with families, the elderly and children in Canada, students applying for a Study Permit and/or Work Permit are required by the Canadian Consulate/Embassy to undergo a medical exam by a Panel Physician. Students must complete this exam at the time that they apply for their study permit and/or work permit.
See <https://www.canada.ca/en/immigration-refugees-citizenship/services/application/medical-police/medical-exams.html> for more information.
- Medical exams performed by a Panel Physician are valid for up to 12 months. If you completed a medical exam for your visa application and it is still valid, you may be able to submit proof of this medical with your application for a co-op work permit. The IRCC medical exam is in addition to completing the mandatory program-specific pre-placement health forms which may be required by your academic department (see <http://www.georgebrown.ca/preplacement> for details).

Additional Medical and Police Clearance Required

- For clinical/work placements for **Community Services & Early Childhood, Health Sciences, H402 (Food & Nutrition Management) and H119 (Culinary Management-Nutrition)** and other programs, if placed in a health care setting) and other programs, you are required to complete a separate medical exam upon arrival in Ontario.
- Some programs require a **Police Vulnerable Sector Check (PVSC)** in Ontario before any placements can begin. Please see <http://www.georgebrown.ca/preplacement> for details.
For any questions on these additional requirements, contact Suzette Martinuzzi at 1-416-415-5000 ext.3415 between 8am-4pm or by e-mail at smartinu@georgebrown.ca. Students in Early Childhood Programs should email ece@georgebrown.ca for their Pre-Placement requirements.

Custodianship Document

- A valid Custodianship document is required for students who are 17 years old or younger at time of entry to Canada. Please refer to <https://www.canada.ca/en/immigration-refugees-citizenship/services/study-canada/study-permit/prepare/minor-children.html#toc1>

WITHDRAWALS & REFUNDS

- If you are unable to come to the College due to visa processing delays, visa refusal or for various other reasons**, you must inform the International Centre at intlwithdrawal@georgebrown.ca (in writing with supporting documents) on or before **September 19, 2022** to avoid being charged the full fees for one semester. A **Withdrawal/Refund Form** must be completed and is available online at www.georgebrown.ca/international/accepted/withdrawal_refund_policy/. Send the completed form to intlwithdrawal@georgebrown.ca.
- A minimum \$1,000 non-refundable fee will be charged for withdrawal and refund if form is submitted before the deadline (\$100 for visa refusal with visa refusal letter attached). Otherwise you will be charged the full semester's fees.
- Please note program deferral requests to your Admissions Officer to the next semester will not automatically withdraw you from already registered courses. You must inform the International Centre before September 19, 2022 to be withdrawn from registered courses to avoid being charged the full semester's fees. Please go to this link at www.georgebrown.ca/international/accepted/withdrawal_refund_policy/ to complete the form and send it to intlwithdrawal@georgebrown.ca before the deadline.
- Deferral to a future term does not guarantee you a seat as programs could already be closed due to the volume of applications received.
- Refund requests for submitted fee payments whose acceptance to programs were expired or revoked for non-confirmation by the offer expiry date will be charged a non-refundable \$100 administrative fee
- Fee payments made originally by credit card can only be refunded to the same credit card used. George Brown College is not liable for any disputes arising from use of another person's credit card and must be resolved between the applicant and credit card holder. Fee payments from overseas received by electronic bank transfer will be returned only to the originating bank account.
- Refunds are made in Canadian currency and, therefore, the final amount that you may receive will depend on the foreign exchange rates at the time the refund is processed. The College is not liable for loss of funds due to currency exchange.

If you have any questions, contact your **Admissions Officer: Chi Tran** at Chi.Tran@georgebrown.ca

We look forward to seeing you in September 2022!

You do not need to contact us to request a CAS. You must obtain your visa before travelling to the UK. More information about the deposit and how to pay will be sent to you once you have accepted an unconditional place in the application portal.

If you are already in the UK and have a Student visa (previously known as Tier 4) for a different institution, and you are not planning to return home to get your visa for Leeds, you will not be able to register or start your studies unless you can provide evidence that you have used your Leeds CAS to apply for a Student visa to study with us.

You should make your visa application as soon as you have the required supporting documents (academic and financial). This offer of study does not guarantee that the University will be able to sponsor you for a Student visa. For more information, please see www.leeds.ac.uk/studentvisa

Membership and alumni

As a Leeds student you will automatically become a member of the University. This membership usually continues beyond your time of study as you will join a community of over 270,000 Leeds alumni, representing the University's lifetime commitment to you. You will have access to certain University services and a vast support network and will have opportunities to attend events and reunions, learn about volunteering and fundraising, stay connected and create new connections that can help your career.

Contract, withdrawal and disclaimer

This letter together with the student contract make up the agreement between you and the University. A copy of the student contract can be found at www.leeds.ac.uk/studentcontract

You may cancel your agreement with the University and withdraw from your course, without reason, up to 14 days after the start date of your course (as stated on this letter) by emailing registration@leeds.ac.uk. You can also cancel this agreement and withdraw from the University if there is a material change to your course or fees that you do not agree to.

The University may terminate our agreement with you, not permit you to re-register next year and require you to withdraw from the University, if you become unfit to study or otherwise fail to meet your commitments to the University, for example, by the non-payment of fees, inappropriate conduct or making unsatisfactory academic progress.

The University's disclaimer can be found within the student contract. We recommend you read the student contract as it includes more details on the above points together with other important information concerning your rights and commitments.

Dear Sejal,

Congratulations, Aston University ("the University") would like to offer you a place on the MSc Strategic Digital Marketing (January) Programme ("the Programme") for the academic year 2022/3, starting on 9 January 2023 and expected to end on 26 January 2024. The duration of the Programme is set out in the attached Programme Specification.

This offer is conditional on the following:

- Successful completion and award of an honours degree with a minimum cumulative average grade of 50/100. Please provide a copy of your official bachelor's degree certificate and degree transcripts for each year of study including your final degree classification, overall GPA and university grading system. You must provide certified English translations of all documents.
- Receipt of a second satisfactory reference. This must be on letter headed paper or sent from the referee's professional email address, including their professional contact details. The reference must be dated within the last two years. Please note it is the applicant's responsibility to ensure that satisfactory references are requested and provided in order to meet offer conditions.

This letter is our formal offer of a place to study with us, and outlines our commitment to you. As such, there are things we are obliged to tell you. Below (and attached) you will find information about the commitments we are making, and the terms and conditions which apply.

Financial Arrangements

The University has classified you as Overseas Fee Status for tuition fee purposes. The annual tuition fee for the Programme will be £20250. The overseas fee is a fixed annual fee for the duration of the Programme.

The tuition fee stated in this offer is based on the academic year 2022/3. However, if you choose to defer your place to a future year, the tuition fee may change and be more than stated i.e. to reflect government policy. The University will provide you with confirmation of any fee changes at its earliest opportunity.

Additional costs

Additional costs which you will be responsible for include:

- printing and binding costs
- text books and course materials which are not accessible via the University library (details of the services provided by the library can be found at: www.aston.ac.uk/library/)
- any other associated costs such as transcription services and proof reading.

The Programme

The key information relating to the Programme is set out in the attached Programme Specification. Please ensure that the Programme is appropriate to your requirements before accepting this offer. The University will consult with you in the event of any changes to the key information relating to the Programme. You will be provided with access to all facilities, amenities and equipment of the University to enable you to carry out the Programme. This access will be subject to your acceptance of the University's Regulations, Policies and Codes of Practice. Of course, the University's facilities are available to all students so please plan accordingly. You will be able to access text books and electronic journals via the University Library; details of the services provided by the Library can be found at: <http://www.aston.ac.uk/library/>. However, we anticipate that the majority of students will choose to purchase a number of core texts or other books during their studies. The cost of books can vary significantly depending on the number of texts students choose to purchase and the type of book that is required.

Pre CAS Questionnaire

As a student from outside of the UK, you will need the correct immigration permission to study at Aston University. Further details about the pre cas questionnaire can be found here: <https://www.aston.ac.uk/current-students/support-services/international/visa-compliance/pre-cas>. You will be sent a unique link to complete the questionnaire in a system called CAS Shield. You will only receive a link to CAS shield if you have accepted your offer. If you have a conditional offer then you must first accept this offer. If you have directly been given an unconditional offer then you must accept this offer. If you have not received a link within 3 working days of confirming your offer from Aston University, then please contact our Visa Compliance Team. You must ensure that your questionnaire is 100% complete and all supporting documents are uploaded; failure to do so will mean that your questionnaire will not be assessed.

Please note that failure to do this may delay your visa application or your enrolment at the University

English Language Support

Aston University is committed to ensuring that every student is fully prepared to take on the challenges of their master's degree. As such, students who have one section at 5.5 on their IELTS (or other English Language qualification <http://www.aston.ac.uk/international-students/english-language-requirements/>), will be asked to participate in additional English language support. This is provided at no additional cost.

To accept your offer, please visit <https://www.aston.ac.uk/study/postgraduate/taught-programmes/abs/admissions/download-acceptance-documents/>; where you can pay your £2,000 deposit and will find all information required to accept your offer.

To ensure that we are able to fully support you with all relevant information between now and your enrolment please confirm your acceptance by 15 September 2022. If you are unable to accept your offer by this deadline please contact us to request an offer deadline extension.

If you are being sponsored please visit <https://www.aston.ac.uk/current-students/fees-and-finance/tuition-expenses-payments/tuition-fees/sponsorship> for further guidance.

Deferrals

The University will grant deferrals at its sole discretion, however, deferrals will not be granted for a period of more than one year. If you wish to defer your place please contact the Admissions Team at the University or email pgadmissions@aston.ac.uk as soon as possible to discuss your options further. Please note that this offer is in relation to the Programme that exists as at the date of this offer letter. In the event your place is deferred, the University cannot guarantee that the Programme will remain unchanged for your chosen year of study. Moreover, this offer reflects the tuition fees for academic year 2022/3. Once the University has accepted your deferred entry, a new offer will be provided to you. In the event this offer is conditional you will still be required to satisfy those conditions.

Students who require a Student Visa should be aware that being made an offer of study does not guarantee that Brunel University London will be able to sponsor you on a Student Visa. If we are not able to sponsor you on a Student Visa we will be able to refund any deposit paid in accordance with the Admissions Policy. Please consult the Admissions Policy (below) for further details.

*Limited places available

In recent years, as many as 720 Postgraduate students have joined the Brunel Business School across September and January entry. We expect to welcome a similar number in 2022/3 and are looking at options to increase the number of places we have available, but places will be filled on a first come first served basis. We encourage you to accept your offer and pay your deposit as soon as possible in order to secure your place. If you do this after the course meets their department limit we may need to defer your place to the next available entry point. Please refer to this webpage <https://www.brunel.ac.uk/study/applicants/postgraduate-courses-how-to-apply/postgraduate-courses>.

Your right to cancel your agreement

You have the right to cancel your contract with us within 14 days of accepting this offer, without giving any reason. The cancellation period will expire after 14 days from the day you accept your offer. To exercise the right to cancel, you must inform Brunel University London of your decision to cancel in writing, i.e. e-mail. To meet the cancellation deadline, it is sufficient for you to send your communication concerning your exercise of the right to cancel before the cancellation period has expired.

Please note that if your studies with us will start within the cancellation period, you may not be entitled to a full refund of any fees you have already paid to represent the value of any services actually provided to you before the expiry of the cancellation period. For information on your legal right to cancel this contract, visit our [website](#).

Further Information

Student Immigration Information

If you need a Student Visa to study in the UK, please note that this letter is NOT the Confirmation of Acceptance for Studies (CAS) that you need in order to apply for a Student visa, if you need this to study in the UK. Under the current regulations, a CAS is only valid for 6 months. We will issue your CAS no more than 6 months before the start of your course, provided you have an unconditional offer at that point. If you have an unconditional offer but have not received your CAS 6 months before the course start date, please contact international-admissions@brunel.ac.uk.

• Estimated costs of living

From 1 December 2020, to meet UK Visas and Immigration (UKVI) finance requirements, when you apply for your Student visa you will need to show that you have £1,334 for living costs for every month of your course (up to a maximum of 9 months or £12,006). This is in addition to your remaining tuition fees, and may not accurately reflect your personal costs. We recommend that you plan your finances accordingly before you start your course. Useful advice about this can be found on the [UK Council for International Student Affairs \(UKCISA\) website](#). Note that if your Student visa application is made before 1 December 2020, the monthly finance requirement for your living costs is £1,265 (or £11,385 for nine months).

• Changing the course that you wish to study

Now that you have been offered a place, we recommend that you ensure this is the course you definitely wish to study. Under the current UK Immigration Rules, once a Student visa has been obtained, there are restrictions on the ability of a student to change courses on that visa. In some cases, the course change may only be possible if a new Student visa application is made from outside of the UK. Please contact the Admissions Office **before** you are issued a Confirmation of Acceptance for Studies (CAS) if you wish to study another course.

If you require any further visa or immigration advice, please refer to our website: <https://www.brunel.ac.uk/international/visas-and-immigration>

CO-OP INFORMATION

International students in work integrated learning programs, such as co-op, internships, practicum, field placements, must have a valid co-op work permit in order to complete their work term in Canada. Due to lengthy Immigration processing times, we recommend students apply for this as soon as possible, prior to arriving in Canada, as any delay can impact their eligibility to work. Co-op Consultants provide resources and support including job postings; however, students must also complete an independent job search to maximize their success in securing co-op positions. Students can increase their opportunity for success with a valid driver's licence and flexibility with work term locations. **Students should apply for their co-op work permits when they apply for their study permit.**

REGISTRATION

Students are required to register themselves in classes **prior to arrival**. Registration is permitted for students who have provided confirmation of an approved study permit. Study permits should be uploaded to the IAS Applicant Portal. Accommodations will be considered for students experiencing delays in processing. Registration dates and times will be available in [Banner](#) two (2) months before classes start. To log in to Banner, your username will be: xxxxxxx@student.georgianc.on.ca and your initial password is your date of birth (YYMMDD). You will be required to change your password after your first login. Once you have changed your password, you must register to [reset your password](#). At your registration time, you will sign in to your [Banner](#) account and register for your classes. Check [Important dates](#) for the first and last day to add or drop courses. ■ Tuition Fees

Your tuition fees, and the commencing fee payable when you accept your offer, are detailed in **Section 1** above. The fees shown include a Student Services and Amenities Fee (SSAF) for international students. If you have been granted credit for prior studies and/or experience (see **Section 1**), the maximum total tuition fee shown in **Section 1** reflects the amount of credit granted.

Tuition fees are subject to an increase in each calendar year of study. If there is a difference between the fees shown above and the approved [University schedule of tuition fees](#), the approved University schedule will apply.

Visit our [fees page](#) and follow the links to see if any incidental fees (additional to your tuition fee) apply to your course.

You can choose to pay more than 50% of your total tuition fees before the course commences. This is permitted under the *Education Services for Overseas Students (ESOS) Act 2000*. You are not required, however, to pay any more than the amount indicated in **Section 1**.

■ Overseas Student Health Cover

You are required by the Australian government to pay a compulsory **Overseas Student Health Cover (OSHC)** fee to cover the full length of your student visa. This is a requirement for all international students. Please note that OSHC fees are subject to change each year and any overpayment will be credited to your account.

We have included a quote for OSHC in your offer details, however if you already have pre-arranged OSHC for the duration of your student visa, please provide evidence of this when you submit your Acceptance Form.

Further information on health cover, including OSHC for your family, is available [here](#).

■ Books, Materials, Equipment, Field Trips

You may be charged for items, amenities or services which are incidental to studies undertaken as part of a course of study. Details of the relevant University policy are available [here](#). Examples of incidental costs you may incur are for special equipment such as lab coats or specific uniforms required for placement, or fieldwork or excursion expenses. You will also need access to copies of set textbooks and readings (which are a combination of articles and chapters for a specific topic). These can be purchased or accessed from the library.

Administration Charges

Administration charges apply in the following matters:

- An administration fee of \$60 will be charged if you defer your place in a course more than once, or transfer to another degree more than once.
- If your enrolment is cancelled due to outstanding tuition fees and you request reinstatement of enrolment, a reinstatement charge of \$100 may apply.

■ Living Expenses

International students normally need around AUD\$21,000 annually to cover living expenses in Australia. You should budget for approximately this amount. Note, however, that depending on your lifestyle and other factors you might need more or less than this. Our [Cost of Living Calculator](#) will help you determine the amount you will need.

Section 3: University Services and Policies

■ Health, Counselling and Disability Services

The University provides international students access to a comprehensive range of free and confidential student services. These services include medical services, personal counselling, disability services and many online resources. For further information visit [Health, Counselling and Disability Services](#), or call +61 8 8201 2118.

■ Academic and Student Policies

Flinders University has formal policies covering its operations and practices in all student-related matters. These include, for example, policies on the responsibilities and rights of staff and students, staff/student relationships, student progress, student representation, and formal procedures for lodging appeals, complaints and grievances. These policies apply to international and domestic students, and can be viewed [here](#).

■ Complaints and Appeals Process

The University is committed to providing all students with access to fair and impartial appeal and complaint resolution processes. These processes are detailed in our [Student Complaints Policy](#) and our [Student Review and Appeal Policy](#), and their associated procedures. Our policies and procedures in this area (and in all other matters relevant to international students) comply with all requirements of the *Education Services for Overseas Students Act 2000*, and the *National Code of Practice for Providers of Education and Training to Overseas Students 2018*.

You may be charged for items, amenities or services which are incidental to studies undertaken as part of a course of study. Details of the relevant University policy are available [here](#). Examples of incidental costs you may incur are for special equipment such as lab coats or specific uniforms required for placement, or fieldwork or excursion expenses. You will also need access to copies of set textbooks and readings (which are a combination of articles and chapters for a specific topic). These can be purchased or accessed from the library.

Administration Charges

Administration charges apply in the following matters:

- An administration fee of \$60 will be charged if you defer your place in a course more than once, or transfer to another degree more than once.
- If your enrolment is cancelled due to outstanding tuition fees and you request reinstatement of enrolment, a reinstatement charge of \$100 may apply.

■ Living Expenses

International students normally need around AUD\$21,000 annually to cover living expenses in Australia. You should budget for approximately this amount. Note, however, that depending on your lifestyle and other factors you might need more or less than this. Our [Cost of Living Calculator](#) will help you determine the amount you will need.

Section 3: University Services and Policies

■ Health, Counselling and Disability Services

The University provides international students access to a comprehensive range of free and confidential student services. These services include medical services, personal counselling, disability services and many online resources. For further information visit [Health, Counselling and Disability Services](#), or call +61 8 8201 2118.

■ Academic and Student Policies

Flinders University has formal policies covering its operations and practices in all student-related matters. These include, for example, policies on the responsibilities and rights of staff and students, staff/student relationships, student progress, student representation, and formal procedures for lodging appeals, complaints and grievances. These policies apply to international and domestic students, and can be viewed [here](#).

■ Complaints and Appeals Process

The University is committed to providing all students with access to fair and impartial appeal and complaint resolution processes. These processes are detailed in our [Student Complaints Policy](#) and our [Student Review and Appeal Policy](#), and their associated procedures. Our policies and procedures in this area (and in all other matters relevant to international students) comply with all requirements of the *Education Services for Overseas Students Act 2000*, and the *National Code of Practice for Providers of Education and Training to Overseas Students 2018*.

Full details of tuition fees, the pre-registration deposit, how to pay the deposit, university bank account details, available bursaries and scholarships and links to the charging and refund policy can be found at <https://www.gre.ac.uk/finance/fees> or by contacting international@gre.ac.uk

For Ds assessed as paying fees at the **international rate**, tuition fees are subject to an annual fee setting exercise and will rise annually by no more than RPI – X +3% (Retail Price Index excluding mortgage interest rates +3%). We would only consider an increase to the fee rate for continuing students to reflect the increased cost of delivering the course in subsequent years.

Visa

This offer cannot be used to obtain a Tier 4 student visa.

As an international fee paying student you will probably need a Tier 4 Student Visa to study with us. If you do require a Tier 4 Student Visa to study in the UK, please refer to the University Sponsorship Policy at <http://www2.gre.ac.uk/current-students/regs/?a=1441173>.

Information on how to apply and the requirements for your student visa to study with us can be found on the UK Government website at <https://www.gov.uk/browse/visas-immigration/student-visas>

Useful information is also available on the UKCISA (UK Council for International Student Affairs) web-link <http://www.ukcisa.org.uk/>

It is your responsibility to ensure that you are in possession of an appropriate and valid visa.

Tier 4 Student Visas are institution specific; if you have studied in the UK previously and hold a student visa for another institution you will need to make a new visa application before you can register at the University of Greenwich.

One of the requirements of the UK Visa & Immigration (UKVI) when applying for the first time or renewing your student visa is that you provide proof that you have sufficient funds to cover the costs of the tuition fees for your first year of study plus the minimum UKVI maintenance requirement. The minimum maintenance requirement will depend on which campus you will be studying at.

Our Maritime Greenwich and Avery Hill Campuses are 'in London' and our Medway Campus is 'outside London'. Please ensure that you are aware of UKVI requirements on the minimum amount required, how you provide evidence of this and the length of time the funds must be held. Read carefully *Tier 4 of the Points Based System - Policy Guidance* on the UKVI website https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/370866/T4_Guidance_11-14.pdf

Confirmation of Acceptance of Studies (CAS) Number:

To apply for a Tier 4 Student Visa you will require a CAS Number. This is not an actual certificate or paper document but is a number issued electronically. It is unique to you and the University of Greenwich and contains information about the course of study for which it has been issued and your personal details. It is valid for six months from issue; you cannot apply for your student visa more than three months prior to the start of your programme.

A CAS Statement including your unique CAS number and the other relevant information (including the qualifications used to assess your offer of place) will be emailed to you or to your agent (if your application was received from an authorised representative of the university).

We would like you to receive your CAS number, if required, as quickly as possible so please contact the International Office at international@gre.ac.uk as soon as you have paid the pre-registration deposit and any academic or English language conditions have been fulfilled.

Campuses

The university has three campuses. Which Campus you will be studying on depends on the Faculty and programme you will be studying with us and is stated above. The Greenwich Campus is on a World Heritage Site on the banks of the Thames in London. Our Avery Hill Campus is in Eltham in south-east London and our Medway Campus is in the County of Kent.

English Language

When you join us you may be required to take a short written English test to establish what language support, if any, may help you succeed in your chosen programme. If the university recognises that you will benefit from English language support you will be required to attend classes, free of charge. Your attendance and progress will be monitored, and you will be expected to complete the course and pass the assessment.

Accommodation

All new students who join the university in September are guaranteed accommodation, either in a university hall of residence or in university approved housing, providing they meet the terms and conditions of the Accommodation Guarantee. Information about university accommodation including application deadline dates and other terms and conditions of the Accommodation Guarantee can be found at www.gre.ac.uk/accommodation. Please ensure you read this information carefully and if you have any queries contact a member of staff in the Accommodation Office at your campus of study. Contact details can be found at www.gre.ac.uk/accommodation. If you would like information about finding accommodation in the private rented sector or temporary accommodation in hotels, hostels or lodgings, please contact the Accommodation Service for further information. Please ensure that you have a safe place to stay when you arrive in the UK. The Accommodation Service cannot offer temporary or emergency housing and you should not arrive without a place to stay.

On Arrival

When you arrive at the university to commence your studies you will be invited to register. This is a two part process.

Part 1: Online Registration: Requires you to log in to the university portal and go through an online process to verify information about yourself and your new programme of study. In order to start Online Registration, you will need your portal login details. These will be emailed to you or your agent nearer the start date of your programme when you have completed all stages of the admissions process. You will also be given a summary of the balance of your first year's tuition fees less any payments including the pre-registration deposit and any discounts.

To complete your registration, you will need to pay at least 50 per cent of this amount. This amount can be paid during online registration by entering credit/debit card details. Alternatively you can transfer the payment to the university's bank account or pay directly to the Student Centre by bank draft.

The remaining balance of tuition fees for September starters will be due before the last Friday in January and for January starters before the last Friday in May. A 2.5 per cent discount is available on your tuition fees if you pay your year's tuition fees in full before the end of September (for those registering on September programmes) or the end of January (for those registering on January

programmes). This discount is not available for programmes run in our Medway School of Pharmacy and pre-sessional English language programmes.

Part 2: Identity and Qualification Checks: This is where you will show a member of staff your passport, proof of your visa and the original of your qualifications stated in your CAS statement (including authorised translations if not in English). These must be original documents and not photocopies.

Our international team will be happy to answer any questions you may have, please email international@gre.ac.uk. We look forward to welcoming you to the University of Greenwich and wish you every success in your studies.
