REPORT

This activity has been organized by the Fit India Youth Club of Tecnia Institute of Advanced Studies on 21.05.2022 in continuation of UGC's letter no 1-54/2019 (Website/Fit India) dated 13th December, 2019 regarding the implementation of "Fit India Campaign" in Higher Educational Institutions. In this event, indoor games like table tennis and arm wrestling was designed for the students where they can enhance themselves. All the participants enjoyed this event and were glad that these types of events were organized in the institution where they can achieve something and grow themselves. Sports helps an individual much more than in the physical aspects alone. It builds character, teaches and develops strategic thinking, analytical thinking, leadership skills, goal setting and risk taking.

All the students were motivated to devote time to each game such as table tennis and arm wrestling. The main aim was to provide emotional concern for the students in Pandemic to build their mental health and to create awareness through this event.

Students Participation in the event

LEARNING OUTCOME

Participants have

1. Showcased their talent in the activities which enhanced their skills
2. understood the importance of indoor games in their life skills

OBJECTIVES

1. To provide an opportunities to the students for showcasing their talent
2. To promote sportsmanship among students
3. To develop the interests of the students among sports

REPORT

This activity has been organized by the Fit India Youth Club of Tecnia Institute of Advanced Studies on 30.11.2021 in continuation of UGC's letter no 1-54/2019 (Website/Fit India) dated 13th December, 2019 regarding the implementation of "Fit India Campaign" in Higher Educational Institutions.. In this event, indoor games like chess, carom and Ludo was designed for the students where they can enhance themselves. All the participants enjoyed this event and were glad that these types of events were organised in the institution where they can achieve something and grow themselves. Sports helps an individual much more than in the physical aspects alone. It builds character, teaches and develops strategic thinking, analytical thinking, leadership skills, goal setting and risk taking.

All the students were motivated to devote time to each game and were also instructed to play each game. The main aim was to provide emotional concern for the students in Pandemic to build their mental health and to create awareness through this event.

LEARNING OUTCOME

1. Participants have acquired relevance of indoor games
2. Participants have enhanced their tactical and decision making skills on the basis of tactics involved in playing the games
3. Participants attain strategic skills by involving themselves in the mind game such as chess.
