Additional Information

Institute promotes the students to participate in various cultural and sports activities which are organized at institute level as well as permit them for inter institute competition. The institute has setup the Fit India Youth club/ Sports club/ NSO which periodically organizes indoor and outdoor sports activities like badminton, cricket, Table Tennis, Chess, carom, Football, Race, long jump and many more. The sports provide the students with opportunities for social interaction through which they can develop the leadership ability, knowledge, skills and attitudes necessary for their full participation in civil society. Similarly the institute has a Dramatic, Dance and Music club organizes the various cultural events like Group dance , Group singing ,Play , Nukkad Nattak, RJ Hunt where the students gets an opportunity to exhibit their talent. . The clubs provide the platform to upgrade their talent for inter institute competition and sports meet organized by the IP University.

These activities offer opportunities for students to learn the values of teamwork, individual and group responsibility, physical strength and endurance, competition, diversity, and a sense of culture and community. Extracurricular activities provide a channel for reinforcing the lessons learned in the classroom, offering students the opportunity to apply academic skills in a real-world context, and are thus considered part of a outcome based education.
