As part of the NAAC AQAR (2021-22), every academic year IQAC, Tecnia Institute of advanced Studies conducts the Students Satisfaction Survey to provide students with a platform for their valuable feedback and measure their levels of satisfaction with regard to the institution. The survey proves to be a helpful tool for the college to understand the perspective of the students. The students get an opportunity to whole heartedly appreciate the progressive working of the college and mention suggestive measures as well.

A Student Satisfaction Survey (SSS) was administered to college students via Google Form. The survey questionnaire, in adherence to NAAC guidelines, utilizes a Likert-type scale for responses, ranging from 0 to 4. A rating of 4 corresponds to the most positive response, while 0 signifies the most negative.

Within the Student Satisfaction Survey, twenty out of the twenty-one questions are objective, and one is open-ended. The open-ended question aims to gather observations and suggestions for improvements, providing students with an opportunity to express feedback in their own words. The questionnaire encompasses various aspects of the teaching-learning process.

The survey results are derived from the responses of 1638 students, and the detailed question-wise outcomes are presented below.

Q1. How much of the syllabus was covered in the class?

Director
Tecnica Institute of Advanced Studies
(Affiliated to GGSIP University Delhi)
Madhuban Chowk, Rohini, Delhi-85
