United in verses, as diverse as the lines of poetry

Student writing poem on Nature's Whisper

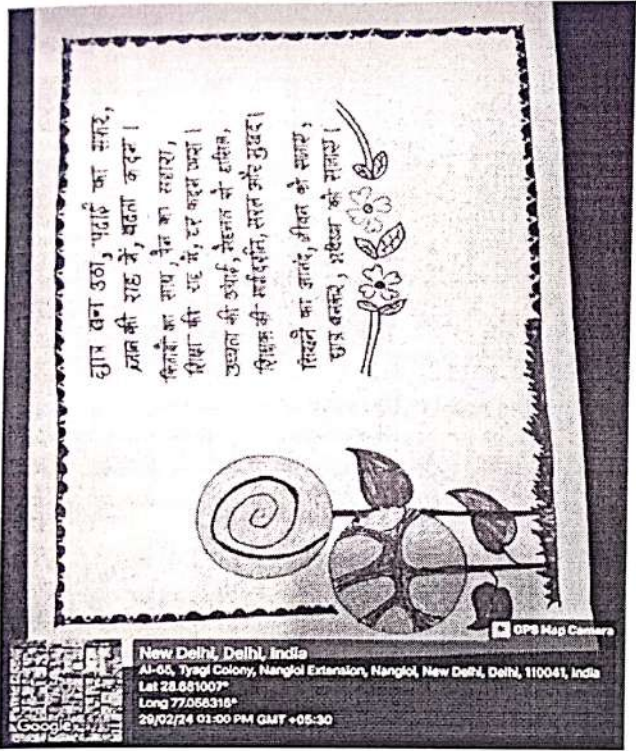

Student giving a touch of art to bridge her words with the nature.

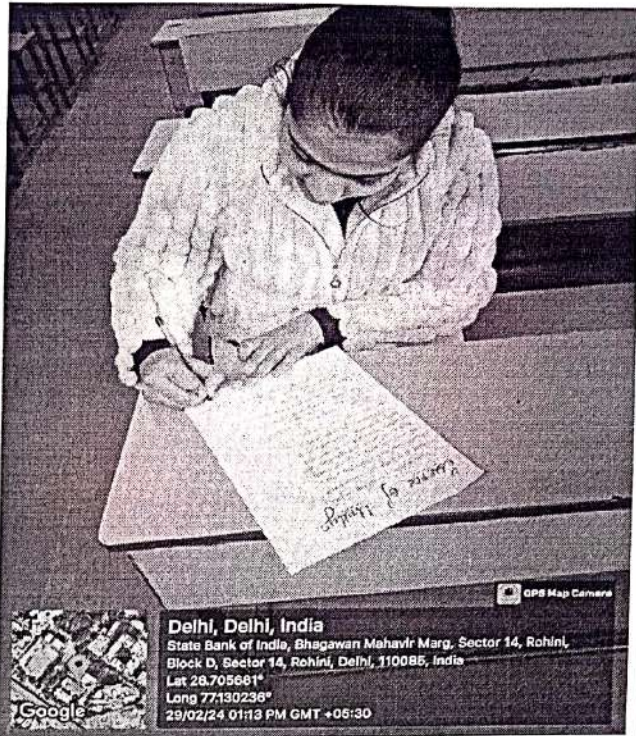

Printing down the words to connect their soul sound with their thoughts

Report: Description in (min 250 to max 800 words) *

The poetic journey at Tecnia Institute of Advanced Studies through poetry writing competition began with a captivating prelude, setting the stage for a noon of creative expression among the students. The opening poem, which embraced the theme of "Nature's Whisper," wove a magical narrative that transported participants into a world where the beauty of nature unfolded through eloquent verses. The talented student delivering the poem infused it with genuine emotion,

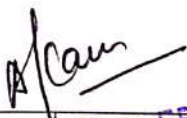

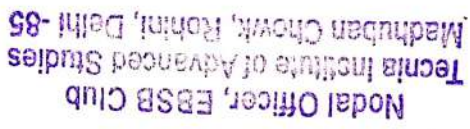

creating an atmosphere of anticipation and wonder, signaling the diverse and personal poetic narratives that would soon follow.

As the event unfolded, the spotlight shifted to the theme of "School Friends." Students, speaking with warmth and authenticity, shared heartfelt stories about the camaraderie and support found within the school community. Laughter and shared dreams resonated in the room, fostering a genuine sense of connection and unity among the participants, who were not only competitors but also appreciators of each other's unique literary voices.

The poetic journey continued with soul-stirring reflections on "Azadi" (Freedom). A passionate and eloquent student presented verses that delved into the complexities and nuances of freedom, sparking contemplation among the participants. The power of words became evident as each participant engaged in a thoughtful exploration of personal and societal freedoms within the bounds of their individual compositions.

The peak of the poetic prelude was a collective exploration of the theme of "Unity." Participants, standing united in their shared love for poetry, harmonized their voices through words that celebrated diversity, love, and collective strength. The shared commitment to artistic expression created a supportive and encouraging environment, leaving an indelible mark on the minds and hearts of the participants and generating excitement for the upcoming presentations of their own uniquely crafted poetic creations.

In essence, the students' poetic prelude not only marked the beginning of the competition but also served as a heartfelt introduction, fostering a sense of camaraderie and shared passion for the art of poetry among the participants.

NATURE'S WHISPERS

Nature whispers softly to my ears,
'Wake up, Smile without tears,'
Birds song play for long,
Telling me to be strong.

As the sun shines very bright,
New hopes take their flight,
Flowers bloom all around,
Their colours, a joy profound.

Rivers flow with endless grace,
Guiding me in life's steady pace.
Stars above twinkle with a light divine,
Nature whispers, a treasure mine.

Nature's whispers weave a tale,
Of resilience and dreams that sail.
In each rustle, in every hue,
I find wisdom, old and new.

Nature

As The leaves rustle on Trees
There is low but feeble sound of bees
As The day winds blow
I realise it is the season of Autumn Gloom

As ~~There~~ The chilly winds Tickle my Neck
I hear The woodpecker's Peck
fewer flowers bloom nowadays
but The fragrance has its Unique Essence

As more & more flowers bloom
A fruitful Aura & smell I sense
you won't sense a face of gloom
It's The fabulous Nature's intend

As The sun scorch in sky
I say saying a bid goodbye
Sunflowers exhibit its glow
Scorching heat waves displays a show

That's The beauty of Nature
Special and unique is its creature
Every season has its characteristics
Nature's displays are artistics.

Simran Chawla.
