Report : Description in (min 250 to max 800 words)*

On March 16, 2024, the Unnat Bharat Abhiyan Cell organized a campaign aimed at promoting the importance of saving energy to conserve the environment and combat climate change. The campaign focused on raising awareness about the critical role of energy conservation in achieving sustainable development goals and fostering a sense of responsibility towards preserving our planet. This report outlines the key highlights and outcomes of the campaign, emphasizing its significance in terms of cost savings, environmental conservation, climate change mitigation, energy security, improved air quality, and public health.

The campaign was highly appreciated by the local people and good no. of people witnessed the campaign. During the campaign it was observed by the UBA coordinator that awareness on daughters' life and education is required, and people have taken the message very seriously. The local people asked us to organize more such campaign on different issues of rural awareness. The local leadership of Bhalswa Dairy also came to support the event and appreciated the students.
