Report: Description in (min 250 to max 800 words)*	A seminar was organized on 27.02.2024 under the ambit of Capability Enhancement Scheme on the topic 'Seminar On How to do well in verbal and Logical Reasoning(CAT 2024 Preparation)' BBA 2nd Year Students The resource person for the seminar was Mr. Sunil Dua Senior Regional Head in T.I.M.E. Verbal and Non-Verbal reasoning are more a demonstration of a student's cognitive skills than of his/her acquired knowledge. Testing a child's reasoning skills helps to assess students' ability to think critically, measure their aptitude, assess their capacity for information processing and problem solving. In short, it encompasses your ability to learn and process information in words and images. Verbal Reasoning measures students' ability to use language to identify and solve problems. It goes beyond formal literacy by testing wider reasoning and cognitive abilities. For example, children may be asked to identify words within words, solve basic word puzzles or identify patterns in words and sentences during tests. Other examples include finding one letter

	to complete two words, or spotting the odd word in a group or naming synonyms and antonyms of particular words. Non-Verbal Reasoning deals with images and how we learn by interacting with them. Interestingly, people largely think in images, thus the ability to respond to and interact with visual imagery can be a good test for abstract thinking, creativity and complex problem solving abilities amongst others. Examples of tests students must complete include identifying odd shapes in groups, identifying inverted images, creating shapes with material, finding identical shapes in groups or identifying sequences in image arrangements. Earlier Dr. Nivedita welcomed the speaker in the seminar and introduced to the students and described the objective of the seminar. The one hour session was very interactive and was well received by the students. The seminar ended with a vote of thanks by Dr. Nivedita.

A seminar was organized on 02.11.2023 under the ambit of Capability Enhancement Scheme on the topic, 'How to do well in CAT & GMAT'. The resource speaker for the seminar was Mr. Amit Poddar-Senior Regional Head- T.I.M.E

The speaker made the students understand to develop a right career path for themselves and should plan what to do after BBA in sync with their goal. He discussed the scope and opportunities of MBA in India. The speaker stated that CAT, GMAT assesses the potential of candidates interested in applying to various programs of Masters and Doctoral. India takes CAT for the candidates who are interested in pursuing management education as a mandatory, while those who are interested for management education from abroad or in premier Indian b-schools take the GMAT and GMAT Score is accepted by more than 6000 programs approximately. He explained that profile building is very important for the candidates who are aspiring to get admission in premier institutions. He further elaborated that the skills tested on the three tests are those that the candidate has developed over a period of time, and that the skills tested on the three tests are by far the same, but the depth of understanding of concepts and the manner

	in which the concepts are tested varies from one test to the other. He exemplified by elaborating that writing skills are not tested in CAT, but GMAT and Analytical Writing (AW) section. The GMAT has one writing task has two writing tasks. He described The speaker discussed the mode of the tests, when it is held and who conducts. He also elaborated it is the pattern of the tests, the duration of the test, sections of the test and navigation permission, maximum score/score range, and the marking scheme. He also discussed about the preparation strategy for all the three tests. Earlier, Dr. Nivedita, welcomed the guest and introduced him to the students. The one hour session was very interactive. It was well coordinated and well received by the students. The webinar ended with a vote of thanks by Dr. Nivedita and feedback collection.
