Student Support Welfare & Development Cell

TIAS personal tutoring activities aim to help in developing one's full academic and personal potential. The faculty helps students to integrate into the Institute, academically and socially, at an early stage. Course Coordinators and Mentors provide academic and personal support and, in some instances, developmental advice, on a planned and regular basis, usually through individual and group counselling. The system is reviewed semester wise to take account of students' feedback and get advice on academic and personal matters affecting their study through.

These committees function in accordance with the statutory provisions laid down by the Hon'ble Supreme Court of India.
