Report:

On 07.10.2022, Tecnia Institute organized a vibrant cultural event as part of the Student Induction Programme to welcome the new students with enthusiasm and creativity. The event, held in the TIAS auditorium, saw participation from students across various departments (BBA/MBA/BAJMC/BCA) and was attended by faculty, staff, and students, creating a lively atmosphere.

The event commenced with the lighting of the ceremonial lamp, followed by an address from the chief guest, who highlighted the importance of such events in promoting unity and cultural diversity within the institute. The cultural extravaganza kicked off with a soulful singing performance that included a medley of classical and contemporary songs, setting the perfect tone for the event. The melodious voices of the students filled the auditorium with a blend of soothing and high-energy tunes, which was met with great applause from the audience.

One of the main attractions was the western dance performance by the dance club, where the dancers showcased their modern and energetic moves to popular international music tracks. Their flawless coordination and electrifying energy left the audience mesmerized, making it one of the standout performances of the evening.

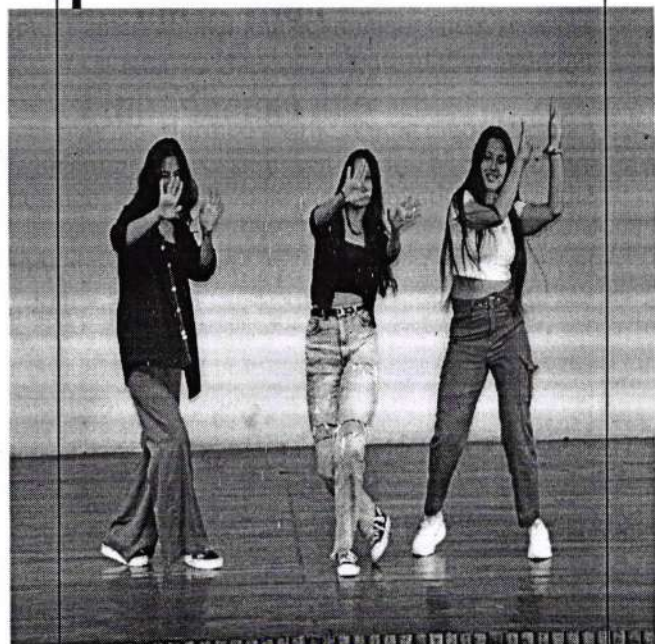

The event also featured a powerful Nukkad Natak (street play), performed by the drama club. The play highlighted pressing social issues and was executed with immense passion and skill. The performers used humor, satire, and emotion to convey their message, receiving a standing ovation from the audience for their thought-provoking act.

Another highlight was a gripping mono act performed by one of the students, who brilliantly portrayed a range of emotions in a solo act. The act, filled with drama, comedy, and emotion, held the audience captive from start to finish.

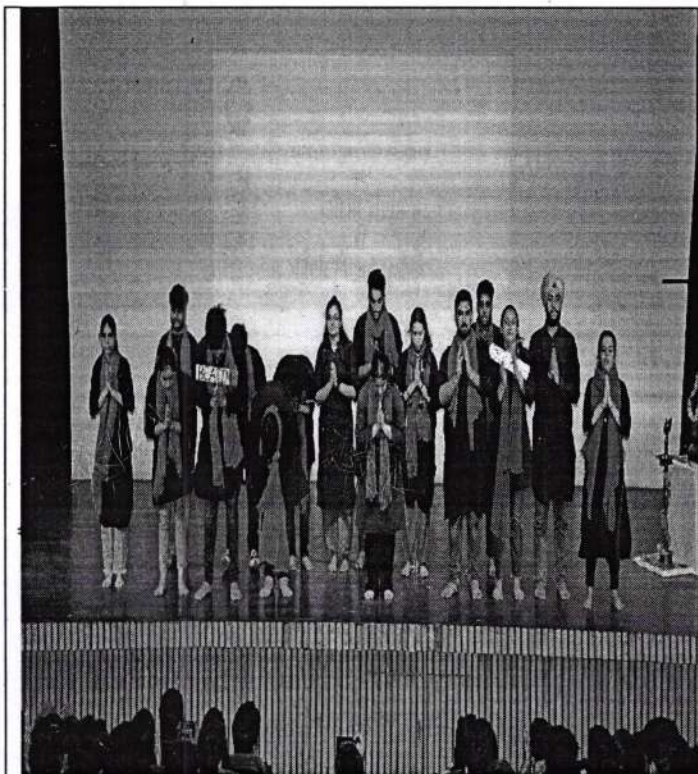

The event concluded with a vote of thanks from the organizers, celebrating the diverse talent of the students and leaving everyone in high spirits. This cultural event successfully set a positive and energetic tone for the new academic year.
