Objectives

- **To Test Creativity and Design Skills:** Assess the creativity and technical skills of participants in nail art design.
- **To Measure Precision and Aesthetic Appeal:** Evaluate the precision in applying nail art techniques and the overall aesthetic quality of the designs.
- **To Foster Artistic Expression:** Encourage participants to express their individuality and artistic style through nail art.

Nail art is a creative activity involving the application of designs and patterns on nails. The "Nail Art Workshop" aimed to provide participants with the opportunity to explore and enhance their nail art skills. The workshop was designed to help attendees understand the elements of effective nail art, including technique, design, and presentation.

Participants from various backgrounds joined the workshop to learn from experts and practiced their skills. The event featured practical sessions where participants could experiment with different techniques and materials.

Learning Outcomes

- 1. Exposure:** Participants gained valuable exposure to various nail art techniques and styles. The workshop provided a platform for them to explore their creativity and experiment with different design elements.
- 2. Skill Enhancement:** The hands-on practice and expert guidance helped participants refine their nail art skills, from basic to advanced techniques.
- 3. Confidence Building:** By creating their own designs and receiving constructive feedback, participants built confidence in their nail art abilities and felt more inspired to pursue further artistic projects.
