The Tecnia Institute of Advanced Studies organized a Poster Making Competition on 2nd September, 2019, inviting students from various departments to showcase their artistic skills and creativity. The competition aimed to encourage students to express their thoughts and ideas visually, addressing important themes and topics through the medium of art. The theme for the competition was "Digital India", which allowed participants to explore and interpret the topic in their unique ways. The theme was chosen to inspire students to think critically about contemporary issues and express their perspectives artistically. The judges carefully evaluated each poster, providing constructive feedback to the participants. The Poster Making Competition at Tecnia Institute of Advanced Studies was a successful event that highlighted the artistic talents and creative thinking of the students. It provided a platform for students to engage with important social and environmental issues through art, fostering both awareness and expression within the campus community.
