Storytelling Sessions

Date: 10th July 2021 Time: 10:00 am – 11:00 am

Venue: TIAS Auditorium
Event Coordinator: Ms. Sonia Batra

Objective

The objective of the Storytelling Sessions was to foster creativity, cultural appreciation, and communication skills among participants. The sessions aimed to provide a platform for sharing diverse narratives, promoting empathy, and enhancing the understanding of different cultures and traditions through the art of storytelling.

Report

The Storytelling Sessions were held as a part of the cultural activity series, focusing on the rich tradition of oral narratives. Participants from various cultural backgrounds came together to share folktales, personal stories, and legends from their heritage. The sessions were interactive, encouraging audience engagement through questions and discussions.

Storytellers used various techniques, including voice modulation, gestures, and props, to bring their stories to life, making the experience immersive for the audience. The event highlighted the power of storytelling in preserving cultural heritage and bridging gaps between different communities.

The sessions not only provided entertainment but also served as a learning platform where participants gained insights into the values, beliefs, and customs of various cultures. The event successfully created an environment of mutual respect and curiosity, fostering a deeper understanding of global narratives.

Learning Outcome

Participants developed enhanced communication skills, a deeper appreciation for cultural diversity, and an understanding of the role of storytelling in preserving and sharing cultural heritage. The event also promoted empathy and active listening, essential for cross-cultural interactions.
