About the Institute:

Tecnia Institute of Advanced Studies (TIAS) – is one of the Premier Institute, set up under the aegis of Health & Education Society (Regd.), – a body registered under the Society Registration Act XXI, 1860. TIAS is NAAC accredited “A” Grade Institute duly recognized by All India Council for Technical Education, Ministry of Education, Govt. of India and is affiliated to Guru Gobind Singh Indraprastha University, Delhi; Recognized under Section 2(f) of UGC Act, 1956 established in the country's capital in the year 1998 as an educational and professional center, with an aim to provide the technical knowledge required for the career development of the younger generation by delivering quality education.

About the Department:

The Department of Information, Communication & Technology has been established to design and implement courses with a twin objective of generating effective professionals and to keep pace with the R & D activities of this fast emerging and changing field of Information & Communication Technology. The department aims to inculcate essential skills as demanded by the global software industry through interactive learning processes. This includes team-building skills, audio-visual presentations and personality development programmes. These enhance analytical and communication skills, besides inculcating the virtues of self-study.

About the FDP:

This ATAL FDP aims to bring together academicians, researchers, and industry experts to explore the latest innovations, challenges, and sustainable solutions in Cyber Security, Cloud Computing, and IoT. Learn from renowned experts, and to foster interdisciplinary collaboration aimed at building secure, eco-conscious digital ecosystems.

| Eligibility

Post Graduate students and Faculty members of AICTE approved Institutions, Universities, Research Scholars, participants from Government, Industry (Bureaucrats/Technicians/Industry experts, etc) and professionals from R&D labs are eligible to attend. There is no charge for registration, course and certification.

| Registration

A test will be conducted (online) by coordinator at the end of the program. Certificate will be issued to participants who attend the program with minimum 80% attendance and score minimum 70% marks in the test
