# **INTERNSHIP POLICY**

## **Guidelines & Procedures**

## SOP FOR IMPLEMENTATION OF INTERNSHIP POLICY

S.No.	PARTICULARS	DESCRIPTION
1	<b>Policy Number</b>	TIAS/IQAC/2022-23/
2	<b>Policy Structure</b>	The internship policy for the students of BCA Programme : INTERNSHIP & ITS IMPORTANCE; Benefit of Internship / Training / Industry / Students / Institute; GUIDELINES FOR INTERNSHIP: duration and academic credentials; T & P Cell role; Pre-Internship, Guidelines for Health, safety and welfare; INDUSTRY GUIDELINES : Identify goals; Pre-Internship Planning; written plan, intern(s); INTERNSHIP REPORT: Student's Diary; Report; MONITORING & EVALUATION: Evaluation by Industry; surprise visit by Staff / Faculty Mentor visit; through seminar presentation / viva-voce at the Institute; AICTE Activity Point Programme; Guidelines for Internship/ Industrial project/ Research for UG; AICTE'S ASSISTANCE/ FACILITATION: MoUs; General Internship guidelines; Mapping
3	<b>Scope of the Policy</b>	The internship policy scope will envision exposure to industrial environment, through simulation thus creating competent professionals; sharpen the real time technical / managerial skills, current technological developments, quest for knowledge and its applicability on the job. Technical knowledge in real industrial situations, gain experience in writing Technical reports/projects with ethics, expose the students to future employers, attitudes and approach to problem solving.
4	<b>Policy Status</b>	Original –Version -1.0 Reference AICTE email Dt. Sep 20, 2018 on the topic “Workshop on AICTE Internship Policy” vide which AICTE is organizing a Regional Workshops on 25.09.2018 to finalize the AICTE Internship policy, Implementation Strategy and Internship Portal for the Training and Placement Officers (TPO) of the institutions
5	<b>Originated By</b>	Adopted AICTE “INTERNSHIP POLICY: Guidelines & Procedure” April 2018 & November 2018
6	<b>Reviewed By</b>	TIAS Internal Quality Assurance Cell (IQAC) for BCA Programme by Coordinator, TIAS-IQAC, Tecnia Institute of Advanced Studies, Delhi
7	<b>Effective Date</b>	22/07/2021
8	<b>Approving Authority</b>	- Dr. Ajay Kumar, Professor & Director, Internal Quality Assurance Cell (IQAC), Tecnia Institute of Advanced Studies, Delhi - Coordinator, TIAS-IQAC, Tecnia Institute of Advanced Studies, Delhi
9	<b>Amendment Number</b>	Nil
10	<b>Effective Date of Amended Policy</b>	Nil

### THE INSTITUTE

Tecnia Institute of Advanced Studies (TIAS) is a Flagship of Tecnia Group of Institutions; one of the Premier Grade ‘A’ Institute; Approved by All India Council For Technical Education (AICTE), Ministry of Human Resource Development (MHRD), Government Of India (GoI) and Affiliated to Guru Gobind Singh Indraprastha University, Delhi; Recognized under Section 2(f) of University Grants Commission Act, 1956. The Institute conducts Master of Business Administration (MBA), Bachelor of Business Administration (BBA), Bachelors of Arts Journalism and Mass Communication (BAJMC) & Bachelor of Computer Applications (BCA) programmes in both shifts. The institute is ISO (hereinafter ISO refers to International Organization For Standardization) 9001:2015, ISO 14001:2015, ISO 21001:2018 & ISO 51001:2018 Certified and Instituted is Top 50 Best B-School in North Zone by The Week Hansa

Research Survey, Top 50 Private Institute in India by Times BBA Education Ranking Survey; The institute has established Institution Innovation Council (IIC) under the Norms of MHRD's Innovation Cell, GoI Dated 11.09.2019 to promote Innovation and Start up and also established Entrepreneurship Development Cell. Institute provides Value Added Programs & Career Counseling Session, Capabilities Enhancement Program on Technical and Soft Skill Expertise knowledge for development of young professional. The institute had setup TIAS-NPTEL Local chapter to complete MOOCs Course with e- certification for making students employable. Institute has ultra- Modern infrastructure and impart Value Based Education, conducts Training, Research & Consultancy, National and International Conferences and Seminars, Faculty Exchange Programme, Technical cum Cultural Fest etc. since 1998. The Institute is located at a prime location and has State-of-the-Art facilities, erudite faculties, dedicated staff members and an ambience to fulfill admirable academic pursuit.

## **VISION**

To impart holistic development, by inculcating knowledge, ethics, professional acumen including socially concerned attitude to carve out an edge in dynamic environment.

## **MISSION**

To make a thorough professional and responsible citizen through student centric teaching learning process, co-curricular, extra-curricular, enrichment, extension and outreach activities and research environment.

## **CORE VALUES**

Being a professional institute, we subscribe to, in our dealings and hold ourselves accountable to all stakeholders by maintaining integrity, honesty, openness, personal excellence, constructive self-criticism, continual self-improvement, mutual respect, professionalism, quality service & standards, innovation, objectivity and honoring our commitments.

## **QUALITY POLICY**

To provide quality education, training and expertise to improve the quality of life by improving the capabilities of human resources, thinking process, practices and performance in the Management, Information Technology and Media disciplines by adopting the quality management system through continual improvements.

## **TECNIA INTERNAL QUALITY ASSURANCE CELL (TIQAC)**

The NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL (NAAC) conducts assessment and accreditation of (HEI) recognized institution to undertake the 'Quality Status' of the institution. NAAC evaluates the institutions for its conformance to the standards of quality in terms of its performance related to the educational processes and outcomes, curriculum coverage, teaching-learning processes, faculty, research, infrastructure, learning resources, organization, governance, financial wellbeing and student services. In pursuance of above for its performance evaluation, assessment & accreditation & quality up-gradation of higher education, NAAC proposes to establish an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC will become an integral part of the institution's system & work towards realization of the goals of quality enhancement & sustenance. The prime task of the IQAC is to develop a system for conscious, consistent & catalytic improvement in the overall performance of the institute for the

post-accreditation period, it will channelize all efforts & measures of the institution towards promoting its holistic academic excellence. The Tecnia Institute of Advanced Studies was accredited on 11-Sept.-2017 with CGPA of 3.11 of 'A' Grade by NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL. IQAC established at Institute continued to strive for the betterment of systems, processes and policies setup. The NAAC visited the Institute Campus from 28<sup>th</sup> – 29<sup>th</sup> August 2017 (First Cycle) taking the tangible efforts to further has established a concrete Tecnia-IQAC hosting in TIAS-ERP in Institute.

## **IQAC VISION**

To shape and certify the quality culture in the Institute with an intention of assured all round excellence.

## **IQAC MISSION**

To channelize the efforts and establish the actions of the institute towards quantify academic and administrative talent and to be the change agent for leading and remove deficits to enrich the quality

## **IQAC GOALS**

IQAC shall evolve mechanisms and procedures for:-

- ❖ To ensure timely, efficient and progressive performance appraisal of academic, administrative and financial tasks
- ❖ To ensure relevance and quality of academic and research programmes
- ❖ To develop equitable access to and affordability of academic programmes for various sections of society
- ❖ To optimize and integrate modern methods of teaching and learning
- ❖ To ensure credibility of evaluation procedures; adequacy, maintenance and functioning of the support structure and services
- ❖ To develop research sharing and networking with other institutions in India and abroad

## **IQAC DOLES**

The doles of the IQAC are:-

- ❖ To contribute meaningfully to ensure heightened level of clarity and focus on institutional functioning towards quality enhancement through internalization of the quality culture
- ❖ To act as a nodal agency in the Institute to empower, integrate and coordinate among various quality-related activities including adoption dissemination and institutionalize of best practices, for quality outcomes
- ❖ To build an organized methodology for decision-making, quality changes, documentation of the various programmes/activities to improve institutional functioning and internal communication for quality improvement

## **IQAC ROLES**

The roles of the IQAC are:-

- ❖ To develop, disseminate information and application of quality benchmarks for various academic and administrative activities of higher education.
- ❖ To facilitate the creation of a learner-centric environment conducive to quality education and faculty maturation to adapt the required knowledge and technology for participatory teaching and learning process
- ❖ To establish network to coordinate, facilitate and implement feedback response on quality-assurance initiatives by involving the stakeholders

- ❖ from students, parents and other stakeholders
- ❖ To organize inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles
- ❖ To develop and maintain institutional database through TIAS-ERP (MIS) for the purpose of maintaining, enhancing, quality culture in the institution.
- ❖ Periodical conduct academic and administrative audit and its follow-up to prepare the Annual Quality Assurance Report (AQAR) as per guidelines and parameters for onward submission to NAAC.

## **INTERNSHIP POLICY**

The rise in global competition has prompted organizations to devise strategies to have a talented and innovative workforce to gain a competitive edge. Developing an internship policy is an impactful strategy for creating a future talent pool for the industry. The Internship program not only helps fresh pass-outs in gaining professional know-how but also benefits, corporate on fresh perspectives on business issues and even discovering future business leaders.

Industry Internship is an integral part of the academic curricula. Its satisfactory completion is a mandatory requirement for the BCA UG degree to be awarded by the GGSIP University. Further, depending upon the curriculum structure of the programmes within the Institute, internships are required in summers, and are assigned academic credits/grades within the curricula. The general structure of the internship(s) requires the students to undertake an immersive assignment within the respective organizations for a limited period. The internship offers the students an opportunity to gain hands-on industrial exposure; to integrate the knowledge and skills acquired through the coursework; interact with professionals and other interns; and to improve their presentation, writing, and communication skills. Internship often acts as a gateway for final placement for many students.

The institution takes active steps to provide education in accordance to the industrial requirements and expectations. Competition in the job sector is rising exponentially and securing entry-level jobs is getting very difficult. AICTE has initiated activities for promoting industrial internship at the graduate level in technical institutes. The main aim of these initiatives is enhancement of the employability skills of the students passing out from Technical Institutions. AICTE has prepared a model curriculum so that the country may produce competent employable graduates as per the needs of the industries. The model curriculum includes the internship for students of four weeks after the end of fourth semester; VIVA-VOCE will be conducted in the fifth semester.

Keeping this in view, AICTE has developed this Model Internship Guidelines for organizing Internship at UG degree level. These guidelines comprise of Steps for Establishing, Maintaining & Fostering Internships. AICTE's MoUs with various Ministries, Government Non-Government Private Organizations to facilitate internship have also been included.

The internship experience will augment **OUTCOME BASED LEARNING PROCESS** and inculcate various attributes in a student in line with the graduate attributes defined by the NBA/NAAC.

## **OBJECTIVES**

Internships are educational and career development opportunities, providing practical experience in a field or discipline. They are structured, short-term, supervised placements often focused around particular tasks or projects with defined timescales. An internship may be compensated, non- compensated or sometime may be paid. The internship has to be meaningful and mutually beneficial to the intern and the organization. It is important that the objectives and

the activities of the internship program are clearly defined and understood. Following are the intended objectives of internship training:

- Expose Technical students to the industrial environment, which cannot be simulated in the classroom and hence creating competent professionals in the industry.
- Provide possible opportunities to learn understand and sharpen the real time technical / managerial skills required at the job.
- Get exposed to the current technological developments relevant to the subject area of training.
- Use the experience gained from the 'Industrial Internship' in discussions held in the classrooms.
- Create conditions conducive to quest for knowledge and its applicability on the job. Learn to apply the Technical knowledge in real industrial situations.
- Gain experience in writing reports in Technical works/projects. Expose students to the engineer's responsibilities and ethics.
- Familiarize with various materials, processes, products and their applications along with relevant aspects of quality control.
- Promote academic, career and/or personal development. Expose the students to future employers.
- Make students available to industry for employment.

## **BENEFITS OF INTERNSHIP**

Benefits for Employer/Industry:

- Availability of ready to contribute candidates for employment.
- Year round source of highly motivated pre-professionals.
- Students bring new perspectives to problem solving.
- Visibility of the organization is increased on campus.
- Quality candidate's availability for temporary or seasonal positions and projects.
- Freedom for industrial staff to pursue more creative projects.
- Flexible, cost-effective work force not requiring a long-term employer commitment.
- Proven, cost-effective way to recruit and evaluate potential employees.
- Enhancement of employer's image in the community by contributing to the educational enterprise

Benefits for Students:

- An opportunity to get hired by the Industry/ organization.
- Practical experience in an organizational setting.
- Excellent opportunity to see how the theoretical aspects learned in classes are integrated into the practical world. On-floor experience provides much more professional experience which is often worth more than classroom teaching.
- Helps them decide if the industry and the profession is the best career option to pursue.
- Opportunity to learn new skills and supplement knowledge.
- Opportunity to practice communication and teamwork skills.
- Opportunity to learn strategies like time management, multi-tasking etc in an industrial setup.
- Opportunity to meet new people and practice their networking skills.
- Makes a valuable addition to their resume.
- Enhances their candidacy for higher education.
- Opens the door to a job offer or an employment recommendation.
- Creating network and social circle and developing relationships with industry people.
- Provides opportunity to evaluate the organization before committing to a full time position.

Benefits to the Institute:

- Build industrial relations.
- Makes the placement process easier.
- Curriculum revision can be made based on feedback from employers.
- Helps in retention of the students.
- Improve institutional credibility & branding.
- Improvement in teaching learning process.
- Exposure of Staff to Industrial process.

## GUIDELINES FOR ORGANIZING INTERNSHIP

Training & Placement Cell & Its Role In Providing Internship:

The institute has a dedicated Training and Placement Cell headed by Training and Placement Officer (TPO). TPO plays an important role in boosting the career of students. The Training and Placement Officer guides students to choose the right career and to plan for programs and activities to enhance knowledge, skill, attitude and the right kind of aptitude to meet the manpower requirements of the Industry. The overall role of the Training & Placement cell is to be a facilitator and counselor for training and placement related activities.

The industry is always on the lookout for students who are vibrant, energetic individuals and ready to accept challenges, attentive, with a good academic background, fast learners, open to learning even at work and more importantly possessing good communication skills. TPO shall assist students to develop/clarify their academic and career interests, and their short and long-term goals through individual counseling and group sessions. The placement cell shall act as a contact place and facilitator to arrange internship of the students, campus visits and conduct of the recruitment process of the employers for the purposeful placement of students of the institution.

Further, to assist students for industrial training at the end of fourth semester, Training & Placement cell shall also design and implement internal curriculum, take classes, arrange experts, arrange agency for student's Personality Development, Improve Communication Skills, Vocabulary, prepare students for Resume Preparation, Group Discussion, Interview Skills, Aptitude Training & Practice Tests, Current Industry demand Technical skills, Presentation skills etc.

The institute allocate budget to facilitate the functioning of Training and Placement Cell and meet the funding requirements for various activities.

The organizational structure of Training and placement cell is as follows:

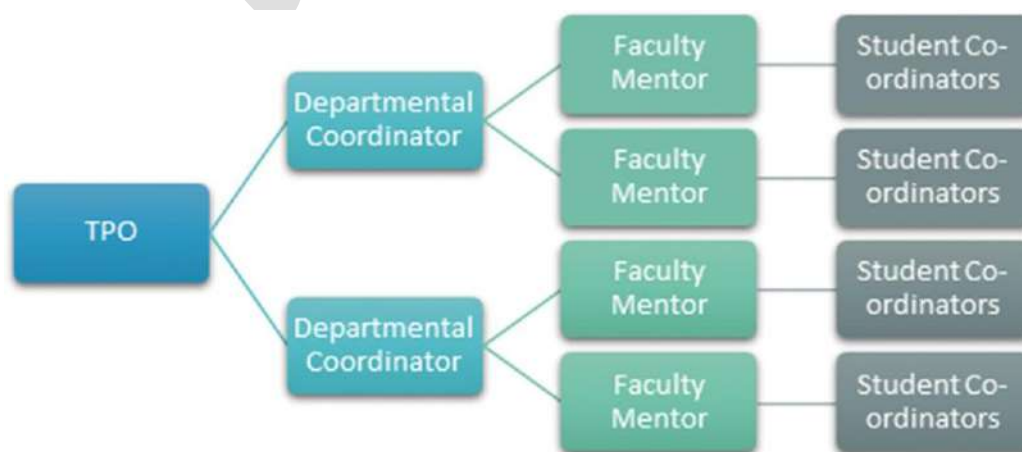

Fig.1. Organizational Structure of T&P Cell

Training and Placement Officer of the Institute will be supported by a Departmental coordinator(**FPC**) for Training and Placement Activities and Faculty Supervisors/ Mentors designated by the Head of the Departments. The department will have a student's committee comprising of 1-3 students from each class for supporting Training and placement activities headed by Student Coordinator. Departmental coordinator and Faculty Supervisors/ Mentors will be nominated at the start of the Academic year for each batch. However, student coordinator being the representative of students will be selected by the students with the help of Training and Placement Officer.

Faculty Mentor/Supervisors play active roles during the internship and minimum 20 students are supervised by each faculty mentor or as per the departmental strength.

## **INTERNSHIP GUIDELINES**

The T&P cell will arrange internship for students in industries/organization after fourth, semester or as per AICTE/ affiliating GGSIP University guidelines. The Institute will arrange and manage internships through online/offline system.

The general procedure for arranging internship is given below:

- Step 1: Request Letter/ Email from the office of Training & Placement cell of the institute send to industry to allot various slots of 4 weeks during summer vacation as internship periods for the students. Students request letter/profile/ interest areas are submitted to industries for their willingness for providing the training. (*in prescribed Format-2*)
- Step 2: Industry confirms the training slots and the number of seats allocated for internships via Confirmation Letter/ Email. In case the students arrange the training themselves the confirmation letter are to be submitted by the students in the office of Training & Placement through concerned department. Based on the number of slots agreed by the Industry, TPO will allocate the students to the Industry. In addition, the internship slots may be conveyed through Telephonic or Written Communication (by Email, etc.) by the TPO or other members of the T&P Cell / Faculty members who are particularly looking after the Final/Summer Internship of the students.
- Step 3: Students on joining Training at the concerned Industry / Organization, submit the Joining Report/ Letters / Email.  
*(in prescribed Format-3)*
- Step 4: Students will submit training report after completion of internship.
- Step 5: Training Certificate to be obtained from industry.
- Step 6: List of students who have completed their internship successfully will be issued by Training and Placement Cell.

## **GUIDELINES FOR THE STUDENTS**

Internship/ Placement is a student centric activity. Therefore, the major role is to be played by the students. TPOs may also include involvement of the student in the following activities:

- Preparing list of potential recruiters and past recruiters.
- Placement Presentation at various organizations, if required.
- Coordinating activities related to Placement including companies HR team visit to institute.

At the commencement of the session, the members of the student placement committee would be selected from the interested students, who submit applications to TPO to work on placement committee. Among the volunteers, one student would be nominated as “Student Coordinator” who would be assigned major responsibilities and would be accountable to TPO.

For allotment of internship slots all the students will be required to submit “Student Internship Programme Application” before the prescribed date

*(in prescribed Format-1).*

The offer given by the company is to be accepted irrespective of the Company / Job profile or job location or stipend offered.

A student who will voluntarily give in writing that He / She does not require placement assistance from the Institute would be exempted from participation in the Placement activities.

This could be because of various reasons such as – Joining family business, opting for higher education or competitive examination etc. Though organizations select individual students, but Recruitment is a team effort. Hence, all students while interacting with the recruitment teams should be careful and behave responsibly.

## **HEALTH, SAFETY AND WELFARE OF INTERNS**

As per AICTE approval procedure, the TPO of the institute requires ensuring insurance of all the students and when any intern is undergoing training in a mine, the provisions of Chapter V of the Mines Act, 195, shall apply in relation to the health and safety of the trainees as if they were persons employed in the same.

## **GUIDELINES FOR INDUSTRY FOR PROVIDING INTERNSHIP**

The objectives of the T & P Cell are to successfully implement the Internship program designed keeping in view the company’s requirements and student’s profile. Design of internship programme can also be developed as per the requirement of Industry in collaboration with the institute.

It may be comprised of the following steps:-

### **➤ Identify Targets/Goals**

A discussion with the organization/industry can create a consensus on internship program goals that can be understood by all involved i.e.

- ❖ What does the company hope to achieve from the interns?
- ❖ Is a small company searching for technical help?
- ❖ Is the company growing quickly and having difficulty in finding motivated new employees?
- ❖ Is it a non-profit organization that doesn’t have a lot of money to pay, but can provide an interesting and rewarding experience?
- ❖ Is the organization searching out new employees with management potential?

## **Internship Planning by Industry**

### **Prepare A Written Plan**

Plan to write the internship program – developed in consultation with the referred industry supervisor/mentor, interns and institute faculty. An internship plan incorporates the following:

- ❖ Job description/internship duties.
- ❖ Name of the project, if any.
- ❖ Internship Schedule and Expected learning outcomes.

Students can offer a fresh perspective to the business, strategies, and plans. To really reap these benefits, students may be included in brainstorming sessions and meetings etc. The intern may also be given opportunity to understand Project Management and finances. This will help him to apply these to one's own work, as a member and leader in a team. It's no secret that this generation is more tech-savvy than any other before. Companies may take the opportunity to use them to find out some digital solutions for various issues.

### ➤ **Allocation of Students to Industry**

After the allocation of internship slots by the industry to the institute, the students are allocated to the industry. In case the industry wants to select the students based on their requirements, the industry can conduct an interaction/ interview with the students and select the students as per their requirements. In case the industry leaves it to the Institute to select the students, TPO may evolve transparent criteria for allocation of students to the industry based on the requirements of industry and students' interest.

### ➤ **Managing/ Facilitating the Intern(s)**

Orientation of Interns in the new workplace, take in the form of a conventional orientation program or merely a walk around the office, depending on the size of the company. Giving interns an overview of the organization; some companies might give talks or hand out information about the company's history, vision and services and explains; who does what? What are the intern's duties? Introduce him or her to co-workers.

Resource requirement of Interns: working desk, basic office supply, and introduce to the technical support people.

Guidance/ Regular Feedback: It's important to give students lots of feedback. If interns had never done the kind of work before, they'll want to know more, their work will be measured up to organizational expectations.

Monitor the intern's progress every day: Daily progress report of Intern is to be evaluated by industry supervisor. Maximum use of short term internship has to be ensured for the intern as well as industry.

Periodically, examine what the intern had produced and make suggestions. Weekly supervision meetings can help to monitor the intern's work.

## **INTERNSHIP REPORT: STUDENT'S DIARY/ DAILY LOG**

The main purpose of writing daily diary is to cultivate the habit of documenting and to encourage the students to search for details. It develops the students' thought process and reasoning abilities. The students records in the daily training diary the day to day account of the observations, impressions, information gathered and suggestions given, if any. It should contain the sketches & drawings related to the observations made by the students. The daily training diary should be signed after every day by the supervisor/ in charge of the section where the student has been working. The diary should also be shown to the Faculty Mentor visiting the industry from time to time and got ratified on the day of his visit.

Student's Diary and Internship Report be submitted by the students along with attendance record and an evaluation sheet duly signed and stamped by the industry to the Institute immediately after the completion of the training in the prescribed format. It will be evaluated on the basis of the following criteria:-

- ❖ Regularity in maintenance of the diary.
- ❖ Adequacy & quality of information recorded.
- ❖ Drawings, sketches and data recorded.
- ❖ Thought process and recording techniques used.
- ❖ Organization of the information.

## **INTERNSHIP REPORT**

After completion of Internship, the student should prepare a comprehensive report to indicate what he has observed and learnt during the training period. The student may contact Industrial Supervisor/ Faculty Mentor/ TPO for assigning special topics and problems and should prepare the final report on the assigned topics. Daily diary will also help to a great extent in writing the industrial report since much of the information has already been incorporated by the student into the daily diary. The training report should be signed with the certificate provided by the Internship Supervisor on the company letterhead to be presented to TPO and Faculty Mentor.

The Internship report will be evaluated on the basis of following criteria:-

- i) Originality.
- ii) Adequacy and purposeful write-up.
- iii) Organization, format, drawings, sketches, style, language etc.
- iv) Variety and relevance of learning experience.
- v) Practical applications, relationships with basic theory and concepts taught in the course.

## **GUIDELINES FOR SUMMER TRAINING PROJECT\***

### **GURU GOBIND SINGH INDRAPRASTHA UNIVERSITY, DELHI BACHELOR OF COMPUTER APPLICATIONS BCA**

<b>Code No.</b>	<b>Paper</b>	<b>L</b>	<b>T/P</b>	<b>Credits</b>	<b>Type of Course</b>
BCA 331	Summer Training Project	-	-	2	Skill Enhancement Course

### **Summer Training Project**

**Course Code: BCA-331**

**L-0 Credits-2**

### **Objective:**

All the students enrolled for BCA Programme, have to undergo compulsory summer training/ Project of minimum 06 weeks in an organization in the IT field. The aim of the project is to give the students an integrated experience in solving a real-life problem by applying knowledge and skills gained on completion of theory papers and in-house practical papers during BCA course. It provides an occasion for students to realize the importance of resource and time management, ownership of task towards deliverables, innovation and efficiency in the task management. It also provides a good opportunity for students to build, enhance and sustain high levels of professional conduct and performance and evolves a problem solver frame of mind in students at early stage. It also prepares students for taking up responsible assignments in the corporate establishment.

## **GUIDELINES FOR SUMMER TRAINING PROJECT**

1. The project should be original, of real-life value, and not copied from existing material from any source. A student should ensure that he understands what is expected by preparing a requirement document of his understanding and get it reviewed by the guide.
2. Design document should also be reviewed and code should also be peer reviewed.
3. A user manual has to be prepared and reviewed.
4. Testing has to be thorough and at various levels, followed by an acceptance test based on the requirement document and user manual.
5. Students should follow the steps as discussed in Software Development Life Cycle while writing dissertation and use Software Engineering Methodologies for development of deliverables, mere programming will not be sufficient. Students must note that interviewers for job are often more interested in the problem solved, alternatives that could have been tried and the benefits derived from the developed application, rather than just implementation details.
6. One Project will be submitted only by one student. However, if the nature of the project is very big & large enough to be divided in different independent big modules having an estimated required effort of minimum 06 weeks to be developed by one person, can be taken up and designed in such a way that every student will be responsible for one module and will submit only that specific module as it were a complete software project.
7. Every student has to get his / her synopsis approved from the guide.
8. The synopsis must be brief i.e., not more than 4-6 pages. It must address details like (however, students may follow the SRS format of IEEE for writing Synopsis)
  - a. Name / title of the project,
  - b. Statement about the problem,
  - c. Why the Particular topic is chosen? It must address Present State of the Art.
  - d. Objective and scope of the project,
  - e. Analysis, Design, Development & Testing Methodology,
  - f. H/W & S/W to be used,
  - g. Testing Technologies to be used,
  - h. What contribution / value addition would the project make?
  - i. Limitations / constraints of the project,
  - j. Conclusion, Future Scope for Modification,
  - k. References and Bibliography.
9. After approval of the Synopsis, Students will need to give Two Presentations / Demonstration, as per the schedule fixed by their respective Institutions or University. First Presentation will ideally be given after Design Phase is over. Second should be given when System Testing is over. First Presentation (**Summer Training**) should be given in the first month. Second Presentation (**Projects**) is in second month. Final Project reports should be given latest by the end of the third month of the semester.
10. Summer Training report has to be submitted by **31st October of every academic year.**
11. The student will submit his/her project report/thesis in the prescribed format, as given hereunder, after the second presentation. The project report/thesis should include: -
  - a. ONE hard copy (Maroon colour with golden print) of the project report / thesis.
  - b. Soft copy of project on CD including all resource code/ compiled binary code and the manuscript in MS-Word document format.
12. Note the following guidelines with respect to Preparation of the Documentation. Please note that documentation is meant for other people, and hence it must be self-explanatory, in all respect.
  - 12.1.1 The sequence of the Pages in the Project Report will be as follows:
    1. One Transparency Sheet
    2. Title Page (Strictly as per the sample supplied)
    3. Institute's Certificate
    4. Company's Certificate
    5. Candidate Declaration of originality of work
    6. Acknowledgement.
    7. Abstract
    8. List of Figures (Strictly as per the sample supplied)

9. List of Tables (Strictly as per the sample supplied)
10. List of Abbreviations (Strictly as per the sample supplied)
11. Contents (Strictly as per the sample supplied) and then body of the dissertation according to the content.
- 12.2 The pages coming under the preview of the CONTENTS will only be numbered in the BOTTOM of the Page Centrally Aligned.
- 12.3 ONE Hardbound Copies (One Original and Two Xerox) will be submitted with the Institute out of which one will be given back to the candidate. All the students are required to follow the same binding format in maroon color with back quote mentioning title of the project, name of the student and year.
- 12.4 At the end of the Project Report Two White blank sheets must be attached.
- 12.5 At the beginning of each chapter one blank page (Strictly as per the sample supplied) must be attached. These pages will neither be numbered nor counted in total numbering of pages. They will only indicate the beginning of a New Chapter with its learning objectives.
- 12.6 Font size of the documentation will be *12 Times New Roman* and the pages will be one and half line spaced. The page margin will be as under: -  
Top – 1 inch, Bottom – 1 inch,  
Left – 1.5 inch, Right – 1 inch.
- 12.7 Kindly note that all-methodological details and theoretical aspects must be written in students' own words. Copying from books or other students will not be accepted, in any case.

## **SCOPE OF THE PROJECT / SUMMER TRAINING**

The summer training assignments would be based on the latest technology, demand in IT industry, covering the various aspects, such as Programming, Coding, Testing, Implementation & Maintenance etc. It may be noted that the chosen work should fall under coding, planning & implementation only.

Each student is required to carry out the work and submit the report individually.

## **GENERAL INSTRUCTIONS**

- a) Immediately after the completion of the fourth semester, the students shall proceed for their Summer Training of 4 weeks duration.
- b) The organization may assign a specific project to the candidate, which will be completed by him / her during this tenure. The work done by the candidate in the training on the project shall be submitted by the candidates in the manner as specified in the Ordinance.
- c) The Summer Training Report prepared after the completion of Training shall be assessed in the fifth Semester as a compulsory paper of 100 marks.
- d) No two students should work on a Single Topic during their Summer Training. Even if the students are assigned the same project it is expected that they work on different aspects or demographic area of the project and present accordingly.
- e) All the students are required to give presentation to the Committee of experts which will be held as per Schedule notified.
- f) The students are required to meet their Faculty Guides on regular basis.  
It is obligatory for students to get their draft approved from concerned guide before giving final draft of the Summer Training Report for submission.
- g) The Guidelines for writing Summer Training Report is given in Section A.
- h) The format of the Report Writing is given in Section B
- i) Specifications for Body of the STR is given in Section C

## **ADVICE**

It is advised that: You take the Summer Training very seriously & understand the Summer

Training Report in its entirety – its objectives, methodology future scope & the time frame in which it has to be completed.

a) Perform Good Quality Work which would help you

a) In developing an understanding of the functional area.

b) In applying theoretical concepts learnt in the classroom.

c) In evolving the new theories and concepts.

d) In gaining experiences of working in the real life situation.

e) Building a rapport with the Industry Guide.

f) Establishing a mutually beneficial relationship between you and yours respective organization.

b) This is an opportunity for you & at the same time a very important responsibility to build a close relationship between your institute & various members of your Organization and all the other organization you come across during your Internship. The following would definitely help you to achieve the above:-

- Be punctual in your office training.

- Be sincere towards your Summer Training.

- Meet deadlines & targets given.

- Support your office Staff & your industry guide for work during your Summer Training.

- Be ethical in your deals.

- Build cordial relationship with all the industry Professional you come across during your Summer Training.

## **Section - A**

### **The GUIDELINES FOR WRITING Summer Training Project**

The Guidelines for carrying out the STR is given in the following paragraphs. Each student is to compile his/her study in six chapters as detailed below:

#### **CHAPTER 1: PROBLEM FORMULATION**

1.1 Introduction about the Company

1.2 Introduction about the Problem

1.3 Present State of the Art

1.4 Need of Computerization

1.5 Proposed Software / Project

1.6 Importance of the work

#### **CHAPTER 2 : SYSTEM ANALYSIS**

2.1 Feasibility Study

2.1.1 Technical Feasibility

2.1.2 Economical Feasibility

2.1.3 Operational Feasibility

2.1.4 Other Feasibility Dimensions

2.2 Analysis Methodology

2.3 Choice of the Platforms

2.3.1 S/W used

2.3.2 H/W used

#### **CHAPTER 3 : SYSTEM DESIGN#**

3.1 Design Methodology

3.2 Database Design

3.2.1 ERD

3.2.2 DFD

- 3.3 Input Design
- 3.4 Output Design
- 3.5 Code Design and Development

#### **CHAPTER 4 : TESTING AND IMPLEMENTATION##**

- 4.1 Testing Methodology
  - 4.1.1 Unit Testing
  - 4.1.2 Module Testing
  - 4.1.3 Integration Testing
  - 4.1.4 System Testing
  - 4.1.5 White Box / Black Box Testing
  - 4.1.6 Acceptance Testing
- 4.2 Test Data & Test Cases
- 4.3 Test Reports and Debugging
- 4.4 Implementation Manual
- 4.5 Implementation
- 4.6 Users' Training
- 4.7 Post Implementation Maintenance

#### **CHAPTER 5 : CONCLUSION AND REFERENCES**

- 5.1 Conclusion
- 5.2 System Specifications
  - 5.2.1 H/W Requirement
  - 5.2.2 S/W Requirement
- 5.3 Limitations of the System
- 5.4 Future Scope for Modification
- 5.5 References/Bibliography (as per format)

#### **CHAPTER 6 : ANNEXURES** (Screen Snapshots must be annexed)

- A-1 Menu Flow Diagram
- A-2 Structure Chart
- A-6 Decision Table/Tree
- A-7 Data Dictionary
- A-8 Test Reports
- A-9 Sample Inputs
- A-10 Sample Outputs
- A-11 Coding (*Optional*)

Please note that for all the System Design (Database, Input & Output) the basic Prototype, format, Table Structure, etc. is to be discussed along with related validations, verifications & normalization. However, the sample Input & Output (Screen Snapshots) will be attached in the annexure.

## Under Testing, you have to discuss the approach of Testing, Test Data, Test Cases and Test Report. How Debugging has been performed, on the basis of Test Report, must be also discussed?

#### **Section-B**

#### **FORMATS FOR SUMMER TRAINING PROJECT**

The final report should be written in the following format:

- Cover Page
- Certificate (s)
- Acknowledgement
- Executive Summary
- Contents
- Body of the Summer Training Project ( As per Section C)
- Summary and Conclusions
- References/ Bibliography

- Appendices
  - o List of Tables
  - o List of Figures

## COVER PAGE

The format of the Cover page is attached as TIAS/AC/BCA/A/05(A)

## CERTIFICATE

The format of the certificate (from Students & Faculty Guides) is attached as TIAS/AC/BCA/A/05(B)

## ACKNOWLEDGEMENTS

In the “Acknowledgements” page, the student recognizes his indebtedness for guidance and assistance to the adviser and other members of the faculty. Courtesy demands that he also recognizes specific contributions by other persons or institutions such as libraries and research foundations.

## EXECUTIVE SUMMARY

An Executive summary is a brief or condensed summary of the work assigned and performed for higher-level management positions. It should be about 3-4 pages in length. It should comprise problem definition, work assigned, methodology adopted for the performance of work assigned, findings, limitations, directions for future development, if any.

## CONTENTS & LIST OF TABLES/FIGURES/SYMBOLS

The format of Contents is as follows:

S.No.	Topic	Page No.
1	Certificates	
2	Acknowledgement	
3	Executive summary	
4	Chapter I: Problem Formulation	
5	Chapter 2 : System Analysis	
6	Chapter 3 : System Design	
7	Chapter 4: Testing and Implementation	
8	Chapter 5 :Conclusion and References	
9	Chapter 6 : Annexure	
10	References/ Bibliography	
	Appendices	
	- List of Tables	
	- List of Figures	

## LIST OF FIGURES

Figure No.	Description
1.1	Organizational Chart
3.1	Data Entry Screen for Purchase
3.2	
4.1	

## LIST OF TABLES

Table No.	Description	Page No.
3.1	Employee’s Personnel Information	18
3.2	Purchase Information	20
3.3	Stock Information	22

## LIST OF ABBREVIATIONS

Abbreviation	Description
CAD	Context Analysis Diagram
DFD	Data Flow Diagram
HIPO	Hierarchical Input Process Output

### References/Bibliography:

1. Patterson D W, "Introduction to Artificial Intelligence and Expert Systems", Second Edition, 2002, Prentice Hall of India Private Ltd., New Delhi.
2. V. Rajaraman, "An Introduction to Digital Computer Design", Third Edition, 1995, Prentice Hall of India Private Ltd., New Delhi.

## Section-C

### SPECIFICATIONS FOR BODY OF THE STP

While compiling the body of report as in Section C following aspects must be adhered to as given in. Aspects are:

#### PAGE SIZE:

Good quality white A4 size executive bond paper should be used for typing and duplication.

#### CHAPTER/PARA NUMBERING:

The chapters are to be numbered as Chapter-1, Chapter-2 etc. The heading/title of the chapter is to appear below the chapter number in uppercase. Paragraphs are to be numbered as 1, 2, 3 etc in every chapter separately. Sub-paras are to be numbered as 1.1, 1.2, 1.3----, 2.1, 2.2, and 2.3---etc. Sub-sub paras are to be numbered as 1.11, 1.12, 1.13, 2.11, 2.12, 2.13 etc.

#### PAGE SPECIFICATIONS:

- a) Left Margin : 1.25 inch
- b) Right Margin: 1.25 inch
- c) Top Margin : 1 inch
- d) Bottom Margin : 1 inch

#### PAGE NUMBERS:

All text pages starting from Body of the Project Report as well as program source code listings should be numbered at the bottom center of the pages.

No. of Pages: Minimum 80-90.

#### NORMAL BODY TEXT:

- a) Font Size: 12, Times New Roman, Double Spacing, Single Side Writing.
- b) Paragraphs Heading Font Size: 12, Times New Roman, Bold & underlined
- c) Page/Title Font Size: 14 Bold

#### TABLE AND FIGURE NUMBER:

Table and figure numbers are to be written at the bottom of the table/ figure as given below:

- a) Table No-1: Number of Employees in Organization ABC
- b) Figure No-1: Data Flow Diagram

#### BINDING & COLOR CODE OF THE REPORT:

- a) Hard Bound Report
- b) Background of the cover page – Dark Blue
- c) Colour of Letters: Silver

## **MONITORING & EVALUATION OF INTERNSHIP**

The industrial training of the students will be evaluated in two stages:

- ❖ Evaluation by Industry.
- ❖ Evaluation through seminar presentation/viva-voce at the Institute.

### **EVALUATION BY INDUSTRY**

The industry will evaluate the students based on the Punctuality, eagerness to learn, Maintenance of Daily Diary and skill test in addition to any remarks.

### **EVALUATION THROUGH SEMINAR PRESENTATION/VIVA-VOCE AT THE INSTITUTE**

The student will give a seminar based on his training report, before an expert committee constituted by the concerned department as per norms of the institute.

The evaluation will be based on the following criteria:-

- ❖ Quality of content presented.
- ❖ Proper planning for presentation.
- ❖ Effectiveness of presentation.
- ❖ Depth of knowledge and skills.
- ❖ Attendance record, daily diary, departmental reports shall also be analyzed along with the Internship Report.

Seminar presentation will enable sharing knowledge & experience amongst students & teachers and build communication skills and confidence in students.

### **T&P CELL ACTIVITY POINT FOR CAPABILITY ENHANCEMENT PROGRAMME**

#### **Additional Requirement for Capability Enhancement Programme**

Apart from technical knowledge and skills, to be successful as professionals, students should have excellent soft skills, leadership qualities and team spirit. They should have entrepreneurial capabilities and societal commitment. In order to match these multifarious requirements, T&P Cell has created a unique mechanism.

Every regular student, who is undergoing internship, is required to undertake capability enhancement programme Activity Points in addition to the required academic grades, for getting internship programme. Students are required to earn 75 Activity Points, in addition to the academic grades.

AICTE recommends 300-400 hours Activity Programme for each degree student for Community service and allied activities as an additional requirement or non-credit course. Here, 40-45 hours are equivalent to 1 week.

These activities will be coordinated by NSS/NCC/FIYC/EBSB/NGC/ELC Nodal/Programme Officer or TPO of the Institute. The student will be provided a certificate from the concerned coordinator and Institutional Head.

Every student is required to prepare a file containing documentary proofs of activities, done by him/ her. This file will be duly verified by the concerned evaluator as listed

The student should earn at least 75 activity points before he/ she appears for his/ her Final Placement. The points students have earned will be reflected on the student's transcript. However, there will be neither grades/ marks for these points nor will there be any effect on SPI/CPI/CGPA etc.

As proposed under the AICTE Rural Internship Programme, if a student completes any long term goal during his degree programme, it will be counted as Internship Activity and credit requirement for the internship is fulfilled. However, if only short term interventions under the programme are attempted it will be counted towards Activity Point Capability Enhancement Programme requisite.

Following suggestive activities as Long Term Goals may be carried out by students in teams:

1. Prepare and implement plan to create local job opportunities.
2. Prepare and implement plan to improve education quality in village.
3. Prepare an actionable DPR for doubling the village Income.
4. Developing Sustainable Water Management system.
5. Prepare and improve a plan to improve health parameters of villagers.
6. Developing and implementing of Low Cost Sanitation facilities.
7. Prepare and implement plan to promote Local Tourism through Innovative Approaches.
8. Implement/Develop Technology solutions which will improve quality of life.
9. Prepare and implement solution for energy conservation.
10. Prepare and implement plan to Skill village youth and provide employment.
11. Develop localized techniques for Reduction in construction Cost.
12. Prepare and implement plan of sustainable growth of village.
13. Setting of Information imparting club for women leading to contribution in social and economic issues.
14. Developing and managing efficient garbage disposable system.
15. Contribution to any national level initiative of Government of India. For eg. Digital India/ Skill India/ Swachh Bharat Internship etc.

The student may choose any activities as per their liking in order to earn the AICTE Activity points. These activities can be spread over the years, as per convenience of the student. The Minimum points required as per entry level of any student are presented in Table 3.

Table 3. The activity Point requirement for UG/UG Degree students

UG /UG Degree Programmes	Years for Points	Points
BCA Regular	1st to 3rd Year	75

## **INDUSTRIAL PROJECT/ INTERNSHIP/ INDUSTRIAL RESEARCH**

### **Guidelines for Post Graduate Level Technical Students:**

The AICTE has prescribed Standardized academic structure for all UG Programs with uniform credit distribution. Focus is on development of advanced knowledge and specific skills required for industrial development. Student may choose Industrial problem as Dissertation topic.

**Table:1 Credit Framework for Internship/ Industrial Project at UG level.**

S.N	Schedule	Activities	Duration	Credits
1	Semester-IV	• Summer Training Project	4 weeks	02

### **Guidelines:**

1. The candidate should submit a synopsis of the proposed work to be done during Internship Programme. The synopsis received should be examined or evaluated by the departmental committee to ensure that the proposed work is submitted in partial fulfillment of the requirements for the award of the degree of BCA to University. This

- synopsis should be submitted to the department before the candidate is relieved.
2. Intimation of commencement of internship shall be submitted to the HOD concerned before the commencement of the ongoing semester.
  3. The Internship project work done during 4 weeks internship program is required for BCA after four semesters for thesis work.
  4. Two guides will supervise the internship project work, one from the department and another one from industry.
  5. The final project presentation is evaluated on the basis of the recommendation given by outside supervisor, and further can be evaluated by institute guide.
  6. If the internship project is not found to be of high quality, then the student will have to reappear in the next semester for their BCA.
  7. The candidate is required to publish internship work in conferences and journals with due permission/ consent from the organization/industry where he has undergone the internship.
  8. If the student feels that the internship work is not of high quality/not-related to their field of interest, then he/ she should submit the application to the T&P Cell within 01 weeks of commencement of internship to re-join the other industry.
  9. Industry/ Institute should allow to produce results obtained during project/ internship period in the project report. The written certificate to this effect from the industry/ institute is mandatory before consideration of the proposed project/ internship.

### **AICTE'S ASSISTANCE/ FACILITATION**

#### **MOUs with different Organizations to facilitate Internship Programme**

In Order To Facilitate internships for the students, AICTE has been identifying organizations/Ministries both in India & abroad and signing MoUs. AICTE has signed many MoUs with Industries, Training institutions, Govt. bodies which are available on the AICTE website [www.aicte-india.org](http://www.aicte-india.org). The institute adequately publicize this information on their website so that students can apply for internship.

**Some of the MoUs signed by AICTE are as follows:**

S.No	Memorandum of Understanding	For more details please visit
1.	AICTE's MoU with Internshala	<a href="https://www.aicte-india.org/downloads/letter_technical_inst_mou_internshala.pdf">https://www.aicte-india.org/downloads/letter_technical_inst_mou_internshala.pdf</a>
2.	MoU with NETiit for internships in Taiwan.	<a href="https://www.aicte-india.org/downloads/mou_netit.pdf">https://www.aicte-india.org/downloads/mou_netit.pdf</a>
3.	AICTE's MoU with HireMee.	<a href="https://www.aicte-india.org/downloads/aicte_mou_HireMee12_9_17.PDF">https://www.aicte-india.org/downloads/aicte_mou_HireMee12_9_17.PDF</a>
4.	AICTE's MoU with Indira Gandhi National Centre for the Arts (IGNCA)	<a href="https://www.aicte-india.org/.../AICTE%20IGNCA_MoU.pdf">https://www.aicte-india.org/.../AICTE%20IGNCA_MoU.pdf</a>
5.	AICTE's MoU with Center for Creative Economy and Innovation (CCEI), Daegu, Republic of Korea.	<a href="https://www.aicte-india.org/.../AICTE-CCEI%20Daegu_MoU%20Document_Final.pdf">https://www.aicte-india.org/.../AICTE-CCEI%20Daegu_MoU%20Document_Final.pdf</a>
6.	1.1 AICTE's MoU with International Institute of Waste Management (IIWM), Bangalore	<a href="https://www.aicte-india.org/sites/default/files/AICTE-IIWM%20MoU.compressed.pdf">https://www.aicte-india.org/sites/default/files/AICTE-IIWM%20MoU.compressed.pdf</a>
7.	a. AICTE's MoU with Engineering Council of India [ECI]	<a href="https://www.aicte-india.org/downloads/eci.pdf">https://www.aicte-india.org/downloads/eci.pdf</a>
8.	b. AICTE's MoU with Fourth Ambit	<a href="https://www.aicte-india.org/sites/default/files/Fourth%20Ambit.PDF">https://www.aicte-india.org/sites/default/files/Fourth%20Ambit.PDF</a>
9.	AICTE's MoU with LinkedIn	<a href="https://www.aicte-india.org/downloads/LinkedIn%20MoU.PDF">https://www.aicte-india.org/downloads/LinkedIn%20MoU.PDF</a>
10.	c. AICTE's MoU with Telecom Sector Skill Council (TSSC)	<a href="https://www.aicte-india.org/downloads/mou_aicte_tssc_22_6_17.pdf">https://www.aicte-india.org/downloads/mou_aicte_tssc_22_6_17.pdf</a>
11.	1.10. AICTE's MoU with SCHOLARSMERIT	<a href="https://www.aicte-india.org/sites/default/files/Scholarsmerit.PDF">https://www.aicte-india.org/sites/default/files/Scholarsmerit.PDF</a>
12.	1.11. AICTE's MoU with Studenting Era to facilitate AICTE approved academic institutions with services for their students & academic faculty	<a href="https://www.aicte-india.org/sites/default/files/Studenting%20Era.PDF">https://www.aicte-india.org/sites/default/files/Studenting%20Era.PDF</a>
13.	1.12. AICTE's MoU with Ministry of Micro, Small and Medium Enterprises (MSME)	<a href="https://www.aicte-india.org/sites/default/files/Signed_MoU_with_AICTE.compressed.pdf">https://www.aicte-india.org/sites/default/files/Signed_MoU_with_AICTE.compressed.pdf</a>

Board of Studies of institute (BoS) and Board of Practical Training of institute (BoPT) have shown their keen interest to facilitate internship training for BCA Programme students.

The details of BoS/BoPT are as follows:

S.No.	Institute Board of Studies / Board of Practical Training (BoS/BoPT)	Contact Details
1.	Director	<a href="mailto:directortias@tecnia.in">directortias@tecnia.in</a>
2.	Dean	<a href="mailto:deanacademics@tecnia.in">deanacademics@tecnia.in</a>
3.	TPO	<a href="mailto:placementstias@tecnia.in">placementstias@tecnia.in</a>
4.	HoDs	<a href="mailto:hodBCA@tecnia.in">hodBCA@tecnia.in</a>
5.	Faculty Mentor	<a href="mailto:placements@tecnia.in">placements@tecnia.in</a>

## GENERAL INTERNSHIPS GUIDELINES

- ❖ Internship is always more valuable compared to in-house project as it enables the interns to understand how companies work, build new contacts, develop a network and most importantly work on real-life projects executed within the company. Institutes are advised to send students for internship at least twice during the complete program once after 1st year and in final year as project.
- ❖ Many interns seem to judge the company by the number of employees in the organization it's an halo effect. Do use more meaningful criteria to judge the company for the internship such as the time and training that they are willing to devote for you, type of products, value addition and services offered by the company in relation to what you want to learn, technologies employed by the company with respect to what you want to master etc.
- ❖ An internship is a great opportunity to learn in industrial environment without being an employee of the company. Students are advised to set their goals prior to starting their internship and focus on completing them during the internship.
- ❖ If a student joins a very large organization to do an internship, he must use the opportunity to learn about the activities performed in the various departments by doing short stints in each of them. This experience will help provide him the big-picture and better understanding the career prospects in relation to his ambitions.
- ❖ Attitude and mindset play a great role in the learning process. Do tackle all tasks given with enthusiasm and positive attitude.
- ❖ Interns must avoid negativity and never ignore a chance offered to them to learn more about a concept, technology, industry or company.
- ❖ Interns must be inquisitive and try to gain maximum knowledge and exposure.
- ❖ Interns shall identify a good mentor within the company and take initiative to execute new projects where one can make a difference to the company.
- ❖ Interns should enjoy during the internship and leave with tangible accomplishments.
- ❖ The intern will maintain a regular internship schedule determined by the Intern and his/her Project Head.
- ❖ Interns shall view an internship as a bridge between college and the workplace. Do use for their full advantage while undergoing internship:
  - The intern must demonstrate honesty, punctuality and a willingness to learn during the internship program.
  - The intern will obey the policies, rules and regulations of the Company and comply with the Company's business practices and procedures.

## INTERNSHIP ADVICE

The students are advised to take the Summer Training very seriously & understand the relevance of Project in its entirety – i.e. objectives, research methodology, future scope & the time frame in which it has to be completed.

- Perform Good Quality Work
- Develop and understand the functional domain area.
- Application of theoretical concepts learnt in the classroom.
- Innovate in evolving new theories and concepts.
- Gain hands on experiences of working in the real life situation.
- Building a good rapport with the Industry Guide.
- Establishing a mutually beneficial relationship with respective organization.

This is an opportunity and important responsibility to build a relationship with organization. Good satisfactory sincere work is always appreciated and helps in getting suitable career. The following points must be followed:-

- Be punctual during Internship.
- Sincerely work to achieve the objectives of Summer Training.
- Meet targets and datelines
- Help your industry guide in day to day operations during Summer Internship
- Follow academic integrity, ethics and avoid plagiarism.
- Be polite, cordial and professional in all your dealings during the summer training.

## MAPPING OF INTERNSHIP PROGRAMME OUTCOME-BASED EDUCATION WITH ASSESSMENT AND GRADUATE ATTRIBUTES:

S. No.	Graduate Attributes	Activities proposed	Outcome
1.	<b>Domain Knowledge:</b> Apply the knowledge of domain, Management Process & Organizational Behaviour, Quantitative Techniques Managerial Economics, Accounting for Management fundamentals, and an IT specialization for the solution of complex managerial problems.	Practical experience during industrial internship/ Project work.	An ability to apply knowledge in application of management sciences tools & techniques, online resources on the project.  The application of systematic domain design processes appropriate to the internship program.
2.	<b>Problem Analysis:</b> Identify, formulate, research literature and analyze complex managerial problems reaching a substantiated conclusion using fundamentals of management sciences and other specialized domain	Working for Consultancy/ research projects in the institute/industry.	Helping Faculty members in their research and consultancy projects will help student learn research methodologies and analytical tools and will develop an ability to use appropriate knowledge and skills to identify, formulate, analyze, and solve Complex domain problems in order to reach substantiated conclusions.

3.	<b>Design/Development of solutions:</b> Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for public health and safety and cultural, societal, and environmental considerations.	Innovation / Entrepreneurship Activities: Participation in Innovation Competitions , Idea completions, Hackathons etc	An ability to design solutions for complex, open-ended domain problems and to design systems, components or processes that meet specified needs with appropriate attention to health and safety risks, applicable standards, and economic, environmental, cultural and societal considerations.
4.	<b>Conduct investigations of complex problems:</b> Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.	Project work/ industrial training/ International /National Internships or advanced courses are considered for internship requirements	Global competitiveness and employability of students will be enhanced.
5.	<b>Modern Tool Usage:</b> Create, select and apply appropriate techniques, resources, and modern IT tools, including prediction, modeling of complex problems/ activities, with an understanding of the limitations.	Work on the modern tools, processes & procedure being used in the industry. Interns expose themselves to advanced tools like simulation and modeling.	Will be able to use modern tools and processes to solve the live/real-time problems.
6.	<b>The management and society:</b> Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional managerial practice.	The AICTE Activity Point Program focuses on supporting all the sections of society especially in adopted villages.	Students will learn their social responsibilities and to use their professional managerial knowledge to assess societal, health, safety, legal and cultural issues.
7.	<b>Environment and Sustainability:</b> Understand the impact of the professional managerial solution in societal and environmental contexts and demonstrate the knowledge of and need for sustainable development.	Under the community service activities, focus on the environment and sustainability issues has been laid down.	Students will learn the importance and methods of environment protection & sustainability and will develop an ability to analyze social and environmental aspects of all managerial activities.
8.	<b>Ethics:</b> Apply ethical principles and commit to professionals ethics and responsibilities and norms of the managerial practice.	The intern will learn to demonstrate honesty, punctuality and obey Company's business practices and procedures.	Learning of professional ethics and accountability will make student ready for the future.

9.	<b>Individuals and team work:</b> Function effectively as an individual and as a member or leader in diverse teams and in multidisciplinary domain settings.	Students are required to help the Committees for organizing Conference/ workshop/ Competition at Institutional Level.	Student will develop ability to work effectively as a member and leader in teams, preferably in a multi-disciplinary domain setting.
10.	<b>Communication:</b> Communicate effectively on complex engineering activities with the engineering community and with the society at large, such as being able to comprehend and write effective reports and design documentation, make effective presentations and give and receive clear instructions.	To assist students in industrial training at the end of 2nd semester. Training & Placement Cell shall also organize training for student's Personality Development, improving Communication Skills, report writing, presentation skills, Foreign Languages etc.	The student will develop an ability to communicate effectively (oral and written communication, report writing, presentation skills.
11.	<b>Project Management and Finance:</b> Demonstrate knowledge and understanding of the management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.	The industry should make sure to include interns in brainstorming sessions and also be given opportunity to understand Project Management and finances.	These competencies will help the student in horizontal and vertical mobility.
12.	<b>Life-long learning:</b> Recognize the need for and have the preparation and ability to engage in independent and life-long learning in the broadest context of management and ITC changes.	Students will learn to implement knowledge into practice and innovate.	Students' ability to identify and to address their own educational needs in a changing world in ways sufficient to maintain their competence and to allow them to contribute to the advancement of knowledge will be enhanced.

No. 07]

NEW DELHI, WEDNESDAY, JANUARY 6, 2016/PAUSA 16, 1937

अखिल भारतीय तकनीकी शिक्षा परिषद्

अधिसूचना

नई दिल्ली, 4 जनवरी 2016

(तकनीकी संस्थाओं (डिग्री/डिप्लोमा) में शिक्षकों तथा अन्य शैक्षणिक स्टाफ के लिए अर्हताएं, वेतनमान, सेवा शर्तों, कैरियर उन्नति योजना (सीएस) इत्यादि से संबंधित कुछ मुद्दों/विषयगतियों पर स्पष्टीकरण)

फा0सं0 27/आरआईएफडी/वेतनमान/01/2013-14—अखिल भारतीय तकनीकी शिक्षा परिषद् अधिनियम, 1987 (1987 का 52) की धारा 10 (ए) और (अ) के साथ पठित धारा 23 की उप-धारा (1) के अधीन प्रदत्त अपनी शक्तियों का प्रयोग करते हुए अखिल भारतीय तकनीकी शिक्षा परिषद् निम्न विनियम बनाती है :-

## I. संक्षिप्त नाम प्रयोज्यता एवं आरंभ :

(क) इन विनियमों को अखिल भारतीय तकनीकी शिक्षा परिषद् [तकनीकी संस्थाओं (डिग्री/डिप्लोमा) में शिक्षकों तथा अन्य शैक्षणिक स्टाफ के लिए अर्हताएं, वेतनमान, सेवा शर्तों, कैरियर उन्नति योजना (सीएस) इत्यादि से संबंधित कुछ मुद्दों/विषयगतियों पर स्पष्टीकरण] विनियम, 2016 कहा जाएगा।

(ख) ये उन तकनीकी संस्थाओं पर लागू होंगे जो तकनीकी शिक्षा तथा ऐसे अन्य पाठ्यक्रम/कार्यक्रम और विषय-क्षेत्र संचालित कर रहे हैं, जैसे कि परिषद् द्वारा समय-समय पर अधिसूचित किए गए हैं।

## II. सामान्य

अभातरिप को अभातरिप विनियम संख्या 37-3/विधिक/अभातरिप/2010 दिनांक 05 मार्च, 2010, तकनीकी संस्थाओं (डिग्री/डिप्लोमा) में शिक्षकों तथा अन्य शैक्षणिक स्टाफ के लिए, संशोधित अर्हताएं, वेतनमान, सेवा शर्तों, कैरियर उन्नति योजना पर अभातरिप विनियम, 2010 (इसके परचात् इसे अभातरिप विनियम, 2010 के रूप में उल्लिखित किया गया है।) तथा अभातरिप विनियम संख्या 37-3 विधिक/अभातरिप/2012 दिनांक 08 नवम्बर, 2012 तकनीकी संस्थाओं (डिग्री/डिप्लोमा) में शिक्षकों तथा अन्य शैक्षणिक स्टाफ के लिए कैरियर उन्नति योजना विनियम, 2012 (इसके परचात् इसे अभातरिप विनियम, 2012 के रूप में उल्लिखित किया गया है।) को लागू करने के संबंध में उठाए गए मुद्दों पर स्पष्टीकरण की मांग करने वाले विभिन्न अभ्यावेदन प्राप्त हुए हैं। इसमें अभातरिप की पूर्व की अधिसूचनाओं के संबंध में उठाए गए कुछ मुद्दों को भी शामिल किया गया है।

तकनीकी संस्थाओं (डिग्री/डिप्लोमा) में शिक्षकों तथा अन्य शैक्षणिक स्टाफ के लिए अर्हताएं, वेतनमान, सेवा शर्तों, कैरियर उन्नति योजना (सीएस) इत्यादि से संबंधित कुछ मुद्दों/विषयगतियों पर स्पष्टीकरण

(iv) उसे सयत्र प्रशिक्षण में परिसर साक्षात्कार/कार्य मेलों आदि की व्यवस्था करनी होती तथा वह कार्मिकों और अंतिम वर्ष के छात्रों, दोनों के लिए औद्योगिक प्रायोजित परियोजनाओं की व्यवस्था भी करेगा।

(v) उसे उद्योग/शोध/सेवा क्षेत्रों के संबंधित क्षेत्र में विशेषज्ञों का डाटा बैंक सृजित करना होगा तथा छात्रों तथा स्टाफ सदस्यों के लाभ के लिए, व्याख्यान देने के लिए उन्हें संस्थान में आमंत्रित करना होगा।

(vi) उसे उद्योगों/शोध/सेवा क्षेत्रों में छात्रों और स्टाफ सदस्यों के लिए प्रशिक्षण/क्षेत्रीय दौड़ों की भी व्यवस्था करनी होगी।

(vii) उसे उद्योगों/शोध/सेवा संगठनों में प्रशिक्षु प्रशिक्षण तथा उपयुक्त नियोजन प्राप्त करने में छात्रों को भी सहायता करनी होगी। वह समूह चर्चा, वैयक्तिक साक्षात्कार और व्यक्तिगत विकास आदि के लिए तैयारी करने वाले छात्रों को अम्यास कराने के लिए भी उत्तरदायी होगा।

(viii) प्रशिक्षण और नियोजन अधिकारी को समस्त पूर्व छात्रों का डाटा बैंक भी सृजित करना होगा जिन्हें प्रतिष्ठित उद्योगों/शोध/सेवा संगठनों में रोजगार प्राप्त हुआ है।

(ix) संस्थान के प्रमुख द्वारा समय-समय पर सौंपे गए कोई अन्य संबंधित कार्य।

डिप्लोमा श्रेणी के संस्थान में प्रशिक्षण तथा नियोजन अधिकारियों (टीपीओ) की योग्यता, वेतनमानों तथा सेवा शर्तों पर संबंधित राज्य/संघ राज्यक्षेत्र सरकार उल्लिखित के अनुसार तथा जहाँ भी बदलाव अपेक्षित हों, निर्णय ले सकते हैं।

ये नियम राजपत्र में अधिसूचना की तारीख से प्रभावी होंगे।

### ALL INDIA COUNCIL FOR TECHNICAL EDUCATION

#### NOTIFICATION

New Delhi, the 4<sup>th</sup> January 2016

[CLARIFICATIONS ON CERTAIN ISSUES/ ANOMALIES PERTAINING TO QUALIFICATIONS, PAY SCALES, SERVICE CONDITIONS, CAREER ADVANCEMENT SCHEMES (CAS) etc. FOR TEACHERS AND OTHER ACADEMIC STAFF OF TECHNICAL INSTITUTIONS (DEGREE/DIPLOMA)]

**F. No. 27/RIFD/Pay Scale/01/2013-14.**—In exercise of the powers conferred under sub-Section (i) of Section 23 read with Section 10 (i) and (v) of the All India Council for Technical Education Act, 1987 (52 of 1987), the All India Council for Technical Education makes the following Regulations:-

#### I. Short title, Applications and Commencement:

(a) These Regulations may be called All India Council for Technical Education (clarifications on certain issues/ anomalies pertaining to Qualifications, Pay Scales, Service Conditions, Career Advancement Schemes (CAS) etc. for Teachers and other Academic Staff of Technical Institutions (Degree/Diploma)), 2016.

(b) These shall apply to technical institutions conducting technical educations and such other courses/ programs and area notified by the Council from time to time.

#### II. General

AICTE has received several representations seeking clarifications on certain issues arising out of implementation of AICTE Regulations No. 37-3/ Legal/AICTE/2010 dated 05<sup>th</sup> March 2010 on revised Pay Scales, Service Conditions and Qualifications for the Teachers and other Academic Staff in Technical Institutions (Degree & Diploma) Regulations, 2010 (here in after referred as AICTE Regulations, 2010) and No. 37-3/ Legal/AICTE/2012 dated 8th Nov. 2012 on Career Advancement Scheme for the Teachers and other Academic Staff in Technical Institutions (Degree & Diploma) Regulations, 2012 (here in after referred to as AICTE Regulations, 2012). Some of the issues raised from the AICTE previous Notifications have also been included.

#### Clarifications on certain issues/ anomalies pertaining to Qualifications, Pay Scales, Service conditions, Career Advancement Schemes (CAS) etc. for Teachers and Other Academic Staff of Technical Institutions (Degree/Diploma)

The clarifications on certain issues of teachers and equivalent positions are given below:

**Annexure-V****QUALIFICATION, PAY SCALES AND SERVICE CONDITIONS OF TRAINING AND PLACEMENT OFFICERS (DEGREE)**

The need for placement and Training in a Degree Level Technical Institutions was recognized in the AICTE Norms and standards of the year 1990, to be adopted by State/UT Government in the respective States /UTs. Vide Para 10 (b) of Letter No. FD/PSSC/Clrif/2002/1 dated 03-01-2003 their Pay Scales etc. were left to be decided by said Governments taking local conditions into consideration. Considering the various representations received by various stakeholders and the importance of Training and Placement Officers (TPO) in the changed Scenario of developing of economy of the country, it has become imperative to bring them in the purview of AICTE to determine their service conditions. Accordingly, the following is proposed.

- (i) Person entering as Training and placement officers shall be of the cadre of a Professor and shall be recruited with designation as Professor (TPO). Essential Qualifications and experience required for the post shall be in line with Professor (Engineering and Technology) laid down in AICTE Regulations 2010 (Degree). Due waitage shall be given to a person from the reputed Industrial background with good managerial and communicational skill. Degree in management shall be a desirable qualification.
- (ii) Existing Training and Placement officers shall be re-designated as Professor (TPO)/ Associate Professor (TPO)/ Asst. Professor (TPO), as the case may be, provided all the requisite qualifications and relevant experience in line with faculty norms laid down in AICTE Regulations 2010 (Degree) and subsequent AICTE Clarifications/ Notifications issued thereof.
- (iii) Pay Scales of existing TPO shall be fixed in accordance of fitment table of 6<sup>th</sup> CPC with re-designation of post as may be applicable.
- (iv) Career Advancement scheme shall be equally applicable to them in line with that prescribed for the faculty subject to fulfilment of essential eligibility conditions as laid down in AICTE Regulations 2010 & 2012 and in subsequent Clarification/ Notifications issued thereof.

**Duties and responsibilities of Training and Placement officer:**

- (i) The post shall be treated as a non vacational post. The officer shall have a teaching work load of 4 hrs/week.
- (ii) TPO should maintain a good liaison with industry in and around the place of the campus.
- (iii) He should conduct an annual survey of job requirements in the Industries, research and service organizations.
- (iv) He should arrange for campus interviews/ job mela etc., in plant training and also arrange to get industries sponsored projects for both staff and final year students.
- (v) He should create data bank of experts in respective field from industries/research/service sectors and invite them to the Institute to deliver lectures for the benefit of students and staff members.
- (vi) He should also arrange training/field visits to students and staff members in industries/research/service sectors.
- (vii) He should also assist the students in getting apprentice training and suitable placement in industries/ research/service organizations. He shall also be responsible for preparing the students in facing group discussions, personal interviews and personality development etc.
- (viii) Training and placement officer should create a data bank of all alumni who are placed in reputed industries/research/service organizations.
- (ix) Any other related duty assigned by the Head of the institute from time to time.

Qualification, Pay Scales and Service Conditions of Training and Placement Officers (Diploma) similar to the above, may be considered, with appropriate changes where ever required by respective State/UT Government.

These rules will be effective from the date of notification in official Gazette.

### TRAINING AND PLACEMENT CELL

(Established as per AICTE, GoI)

#### INTERNSHIP SYNOPSIS: OBJECTIVES / GUIDELINES / AGREEMENT:

*An internship is a unique learning experience that integrates studies with practical work. This agreement is written by the student in consultation with the faculty Mentor and Industrial supervisor. It shall serve to clarify the educational purpose of the internship and to ensure an understanding of the total learning experience among the principal parties involved. (This will be prepared in consultation with faculty mentor)*

#### Part I: Contact Information

##### Student

Name: \_\_\_\_\_ Student ID# \_\_\_\_\_ Class Year: \_\_\_\_\_

Campus Address: PSP Institutional Area, Madhuban Chowk, Rohini

City, State: New Delhi-110085

Phone: \_\_\_\_\_ Email: \_\_\_\_\_

##### Industrial Supervisor

Name: \_\_\_\_\_ Title: \_\_\_\_\_

Company/Organization: \_\_\_\_\_

Internship Address: \_\_\_\_\_

City \_\_\_\_\_, State \_\_\_\_\_, Pin: \_\_\_\_\_

Phone: \_\_\_\_\_ Email: \_\_\_\_\_

##### Faculty Mentor

Name: \_\_\_\_\_ Phone: \_\_\_\_\_

Campus Address: \_\_\_\_\_

##### Academic Credit Information

Internship Title: \_\_\_\_\_ Department: ICT

Course#: BCA331: Summer Training Project; Credits: 02;

Grading Option: 100 (Internal) Max. Marks: 100 Credit/Non-credit: Credit

Beginning Date: 01<sup>st</sup> June (Aprox.) Ending Date: 30<sup>th</sup> June

Hours per Week: \_\_\_\_ Hours Internship is: \_\_\_\_ Paid \_\_\_\_ Unpaid \_\_\_\_

**Part II: Internship Objectives/Learning Activities**

*Internship Objectives: What do you intend to learn, acquire and clarify through this internship? Try to use concrete, measurable terms in listing your learning objectives under each of the following categories:*

• Knowledge and Understanding \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Skills \_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**Learning Activities:** *How will your internship activities enable you to acquire the knowledge/understanding, and skills you listed above?*

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**On the job:** *Describe how your internship activities will enable you to meet your learning objectives. Include projects, research, report writing, conversations, etc., which you will do while working, relating them to what you intend to learn.*

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

**Teaching/Mentoring Activities:** *How your technical knowledge can be applied at the site of the internship. How you can create value through mentoring/help people learn new things.*

---

---

---

---

---

---

---

**Off the job:** *List reading, writing, contact with faculty supervisor, peer group discussion, field trips, observations, etc., you will make and carry out which will help you meet your learning objectives.*

---

---

---

---

---

---

---

**Evaluation:** *Your Internship supervisor will provide a written evaluation of your internship. Describe in detail what other evidence you will provide to your faculty Mentor to document what you have learned (e.g. journal, analytic paper, project, descriptive paper, oral presentation, etc.) Include deadline dates.*

---

---

---

---

---

---

---

**Part III: The Internship**

**Job Description:** Describe in as much detail as possible your role and responsibilities while on your internship. List duties, project to be completed, deadlines, etc. How can you contribute to the organization/site of internship?

---

---

---

---

---

**Supervision:** Describe in as much detail as possible the supervision to be provided /needed at the work site. List what kind of instruction, assistance, consultation you will receive from whom, etc.

---

---

---

---

---

**Evaluation:** How will your work performance be evaluated? By whom? When?

---

---

---

---

---

**Part IV: Agreement**

This contract may be terminated or amended by student, faculty coordinator or work supervisor at any time upon written notice, which is received and agreed to by the other two parties.

**STUDENT FEEDBACK OF INTERNSHIP**

*(To be filled by Students after Internship Completion)*

Student Name: \_\_\_\_\_ Date: \_\_\_\_\_

Industrial Supervisor: \_\_\_\_\_ Title: \_\_\_\_\_

Supervisor Email: \_\_\_\_\_ Internship is \_\_\_\_\_ Paid  
 \_\_\_\_\_ Unpaid \_\_\_\_\_

Company/Organization: \_\_\_\_\_

Internship Address: \_\_\_\_\_

Faculty Coordinator: \_\_\_\_\_ Department: \_\_\_\_\_

Dates of Internship: From \_\_\_\_\_ To \_\_\_\_\_

*\*\*\*Please fill out the above in full detail\*\*\**

Give a brief description of your internship work (title and tasks for which you were responsible):

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Was your internship experience related to your major area of study?

- \_\_\_\_\_ Yes, to a large degree
- \_\_\_\_\_ Yes, to a slight degree
- \_\_\_\_\_ No, not related at all

*Indicate the degree to which you agree or disagree with the following statements.*

This experience has:	Strongly Agree	Agree	No Opinion	Disagree	Strongly Disagree
Given me the opportunity to explore a career field					
Allowed me to apply classroom theory to practice					
Helped me develop my decision-making and problem-solving skills					
Expanded my knowledge about the work world prior to permanent employment					
Helped me develop my written and oral communication skills					

Provided a chance to use leadership skills (influence others, develop ideas with others, stimulate decision-making and action)					
--	--	--	--	--	--

This experience has:	Strongly Agree	Agree	No Opinion	Disagree	Strongly Disagree
Expanded my sensitivity to the ethical implications of the work involved					
Made it possible for me to be more confident in new situations					
Given me a chance to improve my interpersonal skills					
Helped me learn to handle responsibility and use my time wisely					
Helped me discover new aspects of myself that I didn't know existed before					
Helped me develop new interests and abilities					
Helped me clarify my career goals					
Provided me with contacts which may lead to future employment					
Allowed me to acquire information and/ or use equipment not available at my Institute					

In the Institute internship program, faculty members are expected to be mentors for students. Do you feel that your faculty coordinator served such a function? Why or why not?

---

---

---

How well were you able to accomplish the initial goals, tasks and new skills that were set down in your learning contract? In what ways were you able to take a new direction or expand beyond your contract? Why were some goals not accomplished adequately?

---

---

---

In what areas did you most develop and improve?

---

## ACKNOWLEDGEMENT

With due respect, I would like to show my immense gratitude towards respected Dr. Ajay Kumar Sir, Director TIAS, who gave me opportunity to be a part of such a Prestigious Institute (Tecnia institute of Advanced Studies, Delhi). I confess without him could not have done half the justice to the report.

Next I would like to thank, ..... (HoD, BCA Department), who told the details of project and advised on many issues related to project writing. In this context I have to mention another name ..... (Project Guide, TIAS), for his guidance and constant supervision as well as for providing the necessary information about the project and helped me at all stages in the process of making this report. He encouraged and solved my problems, without him I could not have taken the right decision.

My heartiest appreciations also go to my friends in developing the project and people who have willingly helped me out with their abilities.

I would like to express my gratitude towards my parents their kind co-operation and encouragement which help me in completion of this project.
