Interaction of students on Gender neutral Toys

Detailed Report

The Gender Champion Club successfully conducted a Gender-Neutral Toy Donation Drive at Nangli Poona with the objective of promoting gender equality and challenging traditional gender stereotypes in childhood play. This initiative was part of the club's broader mission to foster inclusive thinking and gender sensitivity among communities, beginning with the youngest members—children.

In the weeks leading up to the drive, the club collected a variety of toys through donations from students, faculty members, and local supporters. Emphasis was placed on collecting gender-neutral toys such as books, puzzles, board games, art kits, building blocks, and sports equipment, which encourage creativity, problem-solving, and inclusive play without reinforcing gender norms.

On the day of the event, over 100 children from the Nangli Poona village area received toys, participated in interactive activities, and engaged with volunteers in a joyful and educational environment. An awareness session was also conducted for parents and guardians, focusing on the importance of providing children with a balanced

	<p>environment free from gender-based restrictions.</p> <p>The event not only brought smiles to children’s faces but also sparked meaningful conversations around gender roles and parenting. The participation and enthusiasm from the local community contributed greatly to the event’s success.</p> <p>The Gender Champion Club extends its heartfelt thanks to all contributors and volunteers. This initiative marks a meaningful step toward building a more inclusive, equitable, and gender-sensitive society, starting at the grassroots level.</p>
