Students with community members creating awareness about Gender Equality

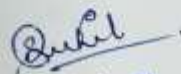

Students with community members creating awareness about Gender Equality

Detailed Report

The Gender Champion Club of Tecnia Institute of Advanced Studies successfully organized the “Gender Equality Pledge: Stand for Change” campaign on 05th, May, 2025, with the aim of promoting awareness and commitment toward gender equality among students and staff. The event highlighted the importance of dismantling gender-based stereotypes and building a more inclusive society. A large number of students, faculty members, and administrative staff participated in the campaign, taking a solemn pledge to stand against discrimination and uphold values of equality, respect, and inclusivity. Various engaging activities, including poster-making, interactive discussions, and a short film screening on gender issues, were conducted throughout the day. These activities sparked meaningful conversations on campus about the challenges faced by different genders and the importance of collective responsibility in driving change. Volunteers from the Gender Champion Club distributed awareness material and encouraged peers to be proactive in creating a gender-sensitive environment. The campaign received positive feedback and helped reinforce the college’s commitment to fostering a safe and equitable space for all. Through this initiative, the Gender Champion Club took a significant step in empowering the student community to

	stand for change and advocate for gender equality in everyday life.
