<b>Report on the Event of "A VISIT TO AMRIT UDYAN RASTRAPATI BHAWAN"</b>	
<b>Title of Activity*</b>	<b>AMRIT UDYAN VISIT</b>
<b>Values</b>	<b>Exploring Floral Beauty</b> <b>Vibrant Biodiversity</b> <b>Garden and roses</b>
<b>Learning Outcomes</b>	<ol style="list-style-type: none"> <li><b>1. Understand the Historical and Cultural Significance:</b> Develop an informed understanding of the origins and evolution of Amrit Udyan (formerly Mughal Garden), its design influences drawn from Mughal and British landscaping traditions, and its integral location within the Rashtrapati Bhavan complex. Readers will appreciate how the garden reflects India's blend of heritage and innovation.</li> <li><b>2. Recognize Biodiversity and Botanical Value:</b> Identify and describe a diverse range of flora, including seasonal flowers, medicinal plants in the Arogya Vanam, and ornamental species found in thematic zones such as the Bonsai Garden, Herbal Garden, and Circular Garden. The report will enhance awareness of the ecological role and aesthetic value of well-maintained urban green spaces.</li> <li><b>3. Appreciate Environmental Sustainability Efforts:</b> Understand how Amrit Udyan embodies sustainability through features like rainwater harvesting, organic composting, and educational initiatives using QR codes and interactive signages. Readers will recognize how such gardens can serve as models for integrating nature with sustainable urban development.</li> <li><b>4. Evaluate Educational and Community Engagement Aspects:</b> Reflect on the importance of spaces like Bal</li> </ol>

	<p>Vatika for children and community-based awareness efforts that promote environmental stewardship. Readers will be encouraged to consider the garden's role in public education and social responsibility.</p> <p>5. <b>Enhance Observational and Reflective Skills:</b>  Through a structured visit and analytical reporting, readers will strengthen their skills in documenting observations, interpreting environmental data, and expressing the broader significance of nature in cultural and civic life.</p>

<p><b>Report: Description in (min 250 to max 800 words) *</b></p>	<p>Amrit Udyan, the sprawling 15-acre garden nestled within the Rashtrapati Bhavan complex in New Delhi, stands as a testament to India's rich horticultural heritage and its commitment to environmental sustainability. Open to the public annually from February 2 to March 30, 2025, this botanical haven offers a serene escape from the city's hustle and bustle .</p> <p>The garden's design is a harmonious blend of geometric precision and natural beauty. Visitors are greeted by meticulously arranged flower beds, terraces, and water channels that evoke a sense of tranquility and elegance. Notable sections include the Central Lawn, Long Garden, Circular Garden, Musical Garden, Spiritual Garden, Sensory Garden, and the newly introduced Arogya Vanam—a therapeutic garden shaped like a human in a yoga posture, featuring over 200 Ayurvedic plants .</p> <p>A standout feature of Amrit Udyan is its integration of technology with nature. QR codes placed alongside plants provide visitors with detailed information about each species, enhancing the educational experience and fostering a deeper appreciation for biodiversity .</p> <p>Amrit Udyan is more than just a garden; it's a celebration of India's natural beauty and a commitment to preserving it for future generations. Whether you're a nature enthusiast, a family seeking educational experiences, or someone looking for a peaceful retreat, a visit to Amrit Udyan promises a memorable and enriching experience.</p>
