Students with community members creating awareness about Women's Rights and Empowerment

Interaction of students on Women's Rights and Empowerment

Detailed Report

The Gender Champion Club organized an outreach activity on Women's Rights and Empowerment at Bhalswa Dairy to raise awareness about gender equality and advocate for women's rights. The event aimed to educate women about their legal rights, financial independence, and social empowerment. A diverse group of participants, including local women, students, and activists, attended the session. Students addressed key issues such as gender discrimination, domestic violence, and access to education and employment. Interactive discussions and storytelling sessions encouraged women to share their experiences and challenges. Additionally, resource materials on women-centric government schemes and legal aid were distributed to ensure access to relevant support systems. The program also emphasized the importance of financial literacy, self-defense training, and

	<p>leadership development to equip women with practical tools for empowerment. The event witnessed an enthusiastic response, with participants actively engaging in the discussions and expressing their commitment to advocating for gender equality in their communities. The outreach activity successfully fostered awareness, inspired confidence, and strengthened solidarity among women. It was a significant step towards creating a more inclusive and equitable society where women can assert their rights and contribute meaningfully to their personal and professional lives.</p>
