The Electoral Literacy Club of Tecnia Institute of Advanced Studies in collaboration with the Unnat Bharat Abhiyan (UBA Cell), successfully conducted an Outreach Program for Nation-Building on "Upholding Constitutional Duties Through Citizen Charter and Voter's Service Portal" on 16th November 2024 at Khampur, Delhi. The event aimed to educate citizens about

	<p>their constitutional responsibilities and enhance awareness regarding the Voter’s Service Portal as a key digital platform for electoral participation. The program began with an introductory session highlighting the significance of constitutional duties, emphasizing the role of responsible citizenship in strengthening democracy. Speakers elaborated on the Citizen Charter, focusing on its principles of transparency, accountability, and service efficiency in governance. A key segment of the session was dedicated to the Voter’s Service Portal, where participants were guided through its features, including voter registration, correction of details, and tracking application status. A live demonstration was conducted to help attendees navigate the portal effectively, ensuring they could access and utilize the digital services seamlessly. The event also included an interactive discussion, allowing participants to seek clarifications about voter-related concerns and share their perspectives on the importance of fulfilling constitutional duties. Volunteers assisted attendees in registering on the Voter’s Service Portal, enabling them to become more engaged in the electoral process. The outreach program successfully promoted active citizenship and digital electoral participation. By fostering awareness about the Citizen Charter and Voter’s Service Portal, the initiative encouraged individuals to uphold their constitutional responsibilities and contribute to nation-building. Participants expressed their commitment to spreading this knowledge within their communities, further strengthening democratic engagement. Participants left the session motivated to exercise their rights responsibly and play an active role in shaping a more transparent and accountable democracy.</p>
