Students while organizing registration drive for Election I card

Report: Description in (min 250 to max 800 words)*

Electoral Literacy Club of Tecnia Institute of Advanced Studies (TIAS) in collaboration with the Unnat Bharat Abhiyan (UBA Cell), organized a Registration Drive for Election I Card at Bhalswa Dairy, Delhi, on 22nd February 2025 as part of its community engagement initiatives. The objective of the drive was to facilitate voter registration, ensuring that eligible citizens are empowered to exercise their democratic rights. The faculty members and student volunteers actively participated in assisting the local residents with the registration process. The drive focused on first-time voters, new residents, and individuals requiring corrections in their voter ID cards. A help desk was set up to provide guidance regarding document verification and form

	<p>submission. Awareness sessions were also conducted to educate citizens on the importance of voting, election procedures, and their role in a democratic setup. Flyers and pamphlets were distributed to encourage voter participation and spread awareness about the 'Nothing Like Voting, I Vote for Sure' initiative. Residents expressed appreciation for the seamless and well-organized process, which made voter registration accessible and convenient. The initiative reinforced the commitment of TIAS to civic responsibility and active citizenship. The event concluded with a pledge by participants to promote electoral awareness in their communities. The success of the drive underscores the need for continued efforts to enhance voter awareness and participation. The Registration Drive for Election I Card at Bhalswa Dairy was a significant step toward strengthening democratic participation at the grassroots level. The enthusiastic response from the local residents highlighted the impact of such initiatives in bridging the gap between citizens and the electoral process. TIAS remains dedicated to fostering civic engagement through similar outreach programs in the future. Moving forward, the institute aims to collaborate further with electoral authorities to maximize voter registration efforts and ensure that every eligible citizen has the opportunity to exercise their fundamental right to vote.</p>
