Report: Description in (min 250 to max 800 words)*

The Electoral Literacy Club (ELC) at Tecnia Institute of Advanced Studies in collaboration with the Unnat Bharat Abhiyan (UBA Cell), conducted an awareness session on “Citizen Responsibilities and Rights: Voter Registration for Individuals Aged 18 and Above” with a special focus on “Application Form Completion: Step 6.” The event aimed to educate students on their fundamental right to vote and the process of registering as a voter upon reaching the age of 18. The session began with an informative presentation highlighting the importance of voter registration as a crucial aspect of democracy. Faculty coordinators

	<p>explained the eligibility criteria, required documents, and step-by-step procedures for filling out Form 6, which is essential for new voter registration. A hands-on demonstration was conducted to familiarize students with the online and offline methods of completing the voter registration form. Participants were guided on how to access the National Voters' Service Portal (NVSP) and navigate through the registration process. Special emphasis was placed on avoiding common errors that could lead to application rejections. Additionally, discussions were held on the responsibilities of citizens in a democratic setup. The importance of casting an informed vote and combating voter apathy were highlighted. The session also included an interactive Q&A segment where students raised queries regarding address changes, corrections in voter ID, and linking Aadhaar with the voter list. Towards the end, students took a pledge to register and vote responsibly in future elections. The initiative successfully instilled awareness about electoral participation and empowered students to exercise their democratic rights effectively. The Electoral Literacy Club remains committed to fostering voter awareness and will continue conducting similar initiatives to enhance electoral participation among youth.</p>
