Students enthusiastically participating in Poster Making Competition

Report: Description in (min 250 to max 800 words)*

On 25th February 2025, the Electoral Literacy Club of Tecnia Institute of Advanced Studies organized an engaging Poster Making Competition themed “Each One Vote One.” The primary objective of the event was to encourage creative expression among students while reinforcing the values of inclusiveness, constitutional responsibility, and electoral integrity through visual art. The event began with a brief introductory session by the student coordinator, who emphasized the significance of voting in a democracy. Students were reminded that every vote counts and that democratic participation must reflect the principles of equality, fairness, and ethical responsibility. Special focus was given to inclusiveness, advocating for the representation of all social groups, regardless of gender, caste, or economic background. Participants, ranging from first-year to final-year students across various departments, were provided with art supplies and a two-hour window to create posters reflecting the given theme. The creative outputs were remarkable—students portrayed powerful imagery such as diverse citizens holding ballots, symbolic national elements formed through vote slips, and slogans like “One Vote, One Nation” and “Your Vote, Your Future.” The posters effectively captured the essence of a participatory and transparent electoral process. Once the posters

	were completed, faculty members evaluated the entries based on originality, relevance to the theme, clarity of message, and visual impact. The top entries were awarded certificates and recognition, while all participants were commended for their thoughtful contributions. The best posters were displayed in the campus corridor to inspire other students. The event concluded with a reflection on the importance of responsible voting and a collective call to action to uphold democratic values. This creative initiative not only showcased students' artistic talents but also deepened their understanding of civic duty and constitutional values.
