Faculty members and students pledging to actively participate in voting in the future.

Report: Description in (min 250 to max 800 words)*

On 28th September 2024, a *Voters Pledge* event titled "Together for Tomorrow" was successfully organized in Room No.2303 of the UG Building at Tecnia Institute of Advanced Studies. The event aimed to raise awareness about the significance of voting and inspire students to actively participate in the democratic process. The event began with an insightful introduction by faculty members, highlighting the role of voting in a democracy. They emphasized that every vote has the power to shape the future of the nation. Students actively participated in discussions about the importance of making informed electoral choices and ensuring ethical voting practices. Following the discussion, all attendees took the Voters Pledge, committing themselves to vote responsibly and encourage others to do the same. The pledge emphasized values such as electoral integrity, rejecting unfair practices, and making decisions based on facts rather than influence. Throughout the session, students shared their perspectives on

	<p>the need for youth participation in elections. Some highlighted concerns regarding voter apathy, while others stressed the importance of spreading awareness about voting rights. The event fostered an engaging dialogue, encouraging students to take responsibility for strengthening democratic values in society. The event successfully instilled a sense of civic duty among students. Many expressed their determination to actively participate in future elections and spread awareness in their communities. The session concluded with a collective commitment to uphold democratic principles and contribute to a better tomorrow. The session concluded with a collective reaffirmation of the pledge, reinforcing the importance of ethical and responsible voting. The enthusiasm and commitment displayed by the participants reflected their dedication to becoming active contributors to democracy.</p>
