**Students creating awareness about the procedure of Digital Electoral Photo Identity Card**

**Report: Description in (min 250 to max 800 words)\***

The Electoral Literacy Club (ELC) of Tecnia Institute of Advanced Studies, in collaboration with the Unnat Bharat Abhiyan (UBA Cell), organized an outreach program titled "Empowering Democracy: Harnessing Citizen Services for National Progress (E-EPIC: Digital Electoral Photo Identity Card)" on 26<sup>th</sup> April, 2025 at Nangli Puna. This program aimed to spread awareness about the E-EPIC facility, a significant step in India's push toward Digital India, particularly within the electoral ecosystem. The session began with an introduction to the E-EPIC initiative launched by the Election Commission of India. Participants were informed that the E-EPIC is a secure, portable, and easily downloadable digital version of the Voter ID, available through the NVSP portal and Voter Helpline

	<p>App.</p> <p>The demonstration included:</p> <ul style="list-style-type: none"> <li>• How to register and log in to the NVSP portal</li> <li>• Step-by-step download of E-EPIC in PDF format</li> <li>• Use of E-EPIC as a legal and scannable document</li> <li>• Secure storage of E-EPIC in DigiLocker or personal devices</li> </ul> <p>Participants were guided using mobile devices and live demonstrations. The process of self-authentication via OTP and document validation was explained in detail. The session witnessed active participation from local residents, who showed eagerness to switch to digital voter IDs due to their portability, accessibility, and eco-friendliness. The outreach empowered around [insert number] individuals, including senior citizens and first-time voters. The session concluded with a group pledge to use and promote digital voter services and act as informed digital citizens contributing to transparent and tech-enabled democracy. This initiative not only introduced the community to the E-EPIC system but also marked a step toward bridging the digital divide in voter accessibility. By empowering citizens with digital tools, the program reinforced the idea that technology can enhance trust, inclusivity, and participation in democratic processes.</p>
