Report:

Description in (min 250 to max 800 words)

On 10th September 2025, the Department of Journalism and Mass Communication at Tecnia Institute of Advanced Studies successfully organized a highly interactive *Workshop on RJ Skills & Anchoring* at the TIAS Auditorium. The event, conducted from 12:00 PM to 3:00 PM, was attended by BAJMC students, eager to gain industry-relevant knowledge and hands-on experience from a professional in the field.

BA(JMC)-TIAS

	<p>The session was led by Ms. Swati, Radio Jockey, 93.5 RED FM, who shared her rich professional experience in radio jockeying and anchoring. The workshop focused on practical learning and skill development, providing students with a real-time understanding of voice modulation, script writing, stage management, and audience engagement techniques.</p> <p>Students actively participated in several exercises such as live anchoring simulations, mock RJ sessions, and impromptu public speaking rounds. RJ Ms. Swati provided expert feedback, demonstrating how to maintain energy, spontaneity, and professionalism on air and during stage anchoring. She also emphasized the importance of clear articulation, maintaining a pleasant tone, and engaging the audience effectively.</p> <p>Furthermore, the workshop delved into the technical aspects of radio broadcasting, including managing studio equipment, handling live calls, and understanding content flow. RJ Swati also addressed frequently encountered challenges in the profession and offered practical tips to overcome them.</p> <p>The event concluded with a Q&A session, where students asked pertinent questions about career opportunities, the evolving role of radio in the digital age, and personal experiences of the resource person. The session was well-received by participants, leaving them motivated and better prepared for media industry demands.</p> <p>Overall, the workshop enriched students' professional knowledge, sharpened their practical skills, and created an inspiring learning atmosphere that bridged the gap between academic theory and industry practice.</p>
