Dear Sir/Madam,

Greetings from the AICTE.

The Supreme Court of India, in its judgment dated **24 March 2025**, has expressed deep concern over the increasing number of student suicides in Higher Educational Institutions (HEIs), including universities, professional colleges, and institutions of national importance. To address this urgent matter, the Hon'ble Supreme Court has constituted a **National Task Force** comprising experts in mental health, education, law, and social sciences to study the issue and recommend actionable measures.

As part of this national initiative, we request your esteemed institution to participate in the **Online Survey** designed to understand:

- Faculty perspectives on student mental health concerns
- Challenges faced by students in HEIs
- Campus environments and support systems
- Faculty experiences in supporting students
- Suggestions for strengthening institutional mechanisms for student wellbeing and suicide prevention

This survey is an important component of the consultation process mandated by the Supreme Court. Responses from faculty across the country will help the Task Force develop comprehensive, evidence-based recommendations to promote mental health and wellbeing in higher education. All institutions under the ambit of AICTE are advised to disseminate the survey link <https://ntf.education.gov.in> among their faculty members, students, parents, Mental Health Service Provider in campuses, & Institution Representative and to encourage them to participate at the earliest. Their inputs will contribute significantly to shaping a national framework for student mental health and suicide prevention in HEIs.

In this regard, you are requested to Join the online meeting scheduled to be held at 26 November, 2025 at 3:30 pm, to be Chaired by Prof. Shyama Rath, Member Secretary, AICTE.

Date and time: Wednesday, November 26, 2025 3:30 PM |
