Report: Description in (min 250 to max 800 words)*

The Dandiya Night – Fusion of Traditions was successfully organized by the Cultural Club of Tecnia Institute of Advanced Studies on 1st October 2025 at Orleans – The School, from 04:00 PM to 08:00 PM. The event aimed to celebrate India’s rich folk traditions, particularly the vibrant Garba and Dandiya Raas, while fostering unity, joy, and cultural appreciation among students.

The programme began with a warm welcome to students, faculty members, and staff, setting an energetic and festive tone for the evening. The venue was aesthetically decorated with traditional motifs, lights, and colorful elements reflecting the spirit of Navratri and Indian cultural diversity. Participants adorned traditional attire, adding to the authenticity and visual appeal of the celebration.

The central highlight of the event was the fusion concept, where traditional Dandiya steps were blended with contemporary music and choreography. This innovative approach not only preserved cultural roots but also appealed to the younger generation, ensuring enthusiastic participation. Students from various courses and backgrounds actively took part, symbolizing harmony and inclusiveness.

The event provided a stress-free and joyful environment, encouraging

	<p>social interaction, teamwork, and mutual respect. Coordinated group dances helped students develop rhythm, coordination, and collaboration skills. The Cultural Club members ensured smooth conduct of the programme by managing registrations, music coordination, crowd movement, and safety protocols.</p> <p>Faculty members appreciated the initiative for promoting cultural learning beyond classrooms and supporting holistic student development. The programme concluded on a high note with collective dancing, reflecting unity and shared cultural pride. Overall, the Dandiya Night served as a vibrant cultural platform, strengthening institutional spirit and reinforcing the importance of preserving traditions while embracing modern expressions.</p>
