Report:

On **2nd December 2024**, the Unnat Bharat Abhiyan (UBA) Cell of **Tecnia Institute of Advanced Studies** conducted an outreach activity titled **“Empowering on Social Issues: Education Empowerment”** at **Nangli Poona**, one of the institute’s adopted villages. The event aimed to raise awareness about the transformative power of education in addressing pressing social issues such as gender inequality, poverty, and child labor.

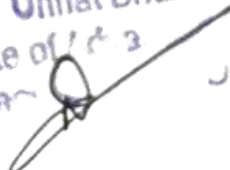

The program involved students and faculty who engaged with village residents through storytelling, poster displays, and interactive sessions. Discussions highlighted the importance of **universal access to education**, especially for girls and marginalized communities, as a foundation for social and economic development.

Students also presented real-life success stories of individuals who overcame social barriers through education, inspiring villagers to prioritize learning for their children. Women and youth participants were particularly encouraged to pursue formal and non-formal educational opportunities available through

	<p>government schemes and NGOs.</p> <p>The activity promoted values of equality, inclusiveness, and social justice, fostering an environment where education is seen as a tool of empowerment and community upliftment. It also allowed participating students to enhance their communication and leadership skills through real-world community engagement.</p> <p>The session concluded with a collective pledge to support education at every level and work together to remove the social obstacles that hinder it.</p> <p>This outreach activity reflected the core values of UBA—“Transforming India through villages”—and strengthened the bond between the institute and rural communities.</p>
