Report:

On 22-03-2025, a comprehensive research initiative The Department of Journalism and Mass Communication at Tecnia Institute of Advanced Studies organized an outreach activity titled “Safe Planet, Safe Future” at Bhalswa Dairy, one of the adopted villages under the Unnat Bharat Abhiyan (UBA) initiative. The program aimed to raise awareness about eco safety, environmental responsibility, and sustainable practices among the rural community.

The activity began at 11:00 AM with an interactive session where faculty members and students educated the local residents about climate change, waste management, energy conservation, and pollution control. Informative posters, charts, and street play performances were used to engage the audience and deliver powerful messages on environmental protection.

The key focus was on promoting eco-friendly behavior, such as avoiding plastic, proper waste disposal, tree plantation, and the importance of using renewable energy sources. Local residents were encouraged to

	<p>become active participants in protecting their surroundings for a safer and healthier future.</p> <p>Through this initiative, students experienced community-based learning, civic responsibility, and value-based communication. The activity concluded with a pledge by all participants to commit to small daily actions that contribute to a greener planet.</p> <p>Overall, the program reflected the institute's commitment to sustainability, environmental ethics, and rural engagement, aligning with the core values of the Unnat Bharat Abhiyan and Universal Human Values.</p>
