NOTICE

Subject: Minor Project Guidelines and Schedule for MCA-170 Academic Year, 2025-26

This is to inform all concerned that the timeline for the conceptualization and submission of proposals for the **Minor Project** is now active. The minor project is a crucial component of your professional/academic development, designed to enhance your practical skills in problem-solving, project management, and technical execution.

1. Project Objective:

The objective of the minor project is to encourage innovation and problem-solving in the domains of Information Technology, Software Development, Networking, Data Science, IoT, and related fields approved by respective guides.

2. Eligibility:

Compulsory for all MCA (First year) students for both shift.

3. Team Composition:

Only Individual submissions are allowed.

All students are advised to carefully note the deadlines and adhere to the guidelines strictly. This project carries significant weight towards your final assessment.
