NOTICE

Subject: Major Project Guidelines and Schedule for BCA-308 Academic Year, 2025-26

This is to inform all concerned that the timeline for the conceptualisation and submission of proposals for the **Major Project** is now active. The major project is a crucial component of your professional/academic development, designed to enhance your practical skills in problem-solving, project management, and technical execution.

1. Project Objective:

The objective of the major project is to encourage innovation and problem-solving in the domains of Information Technology, Software Development, Networking, Data Science, IoT, Cyber Security and related fields, as approved by the respective guides.

2. Eligibility:

Compulsory for all BCA (final year) students for both shift.

3. Team Composition:

Only Individual submissions are allowed.

All students are advised to carefully note the deadlines and adhere to the guidelines strictly. This project carries significant weight towards your final assessment.
