Report: Description in (min 250 to max 800 words)*

The Gender Champion Club conducted an engaging awareness activity titled “Gender Confessions Wall” to provide students with a safe and open platform to express their thoughts, experiences, and concerns related to gender issues. The interactive wall encouraged participants to write anonymous confessions reflecting personal stories, perceptions, and challenges faced due to gender stereotypes and social expectations. This initiative helped students recognize how commonly held labels and biases influence individual identity and daily interactions. The activity sparked meaningful discussions, promoting sensitivity, empathy, and mutual respect among students. By visualizing diverse experiences shared on the wall, participants gained deeper insight into the emotional and social impact of gender bias. Overall, the “Gender Confessions Wall” created a supportive space that

	inspired reflection, encouraged open dialogue, and strengthened the commitment to building a more inclusive and gender-sensitive campus environment.
