Important Notes:

1. As mandated by the statutory bodies, every student shall be given 03 weeks induction training in the beginning of the first semester. Detailed guidelines for the same shall be finalized through Programme Co-ordination Committee.
2. Institutions shall also be required to facilitate the non-computer science students for successfully completing the Bridge Courses from MOOC platform. If required, Institution may also conduct make-up classes or tutorial sessions for such students.
3. In order to conduct classes for Electives (Core or Open), there must be a minimum of 20 students in that Elective. However, if the numbers of students are less than 20 in any of the Electives (Core or Open), the elective course may still be offered but no classes will be held and the students shall be required to successfully complete that course from the MOOC using SAWAYAM or other similar platforms. In that case, students shall be required to obtain prior approval of the Programme Co-ordination Committee for undertaking any course(s) from the MOOC platforms. Requirement of attendance, to such students, shall be waived off based upon the document of having completed the course from MOOC platforms. MCA-272 shall also be completed from the MOOC using SAWAYAM or other similar platforms, as detailed above. However, students shall be required to appear for the examinations conducted by the Institution as teachers' continuous evaluation to earn these credits. The MOOC course should have at least 30 hours of teaching. No direct credit transfer shall be allowed based upon the Certificate of having completed these electives courses from the MOOC platforms.
4. Detailed modalities of all the NUES Papers and MCA-202 (Dissertation) related guidelines for assessment and evaluation shall be followed as approved by the Programme Co-ordination Committee. The dissertation should be oriented towards socially relevant projects.
5. The total number of the credits of the MCA programme = **100**.
6. Each student shall be required to appear for examinations in all courses. However, for the award of the degree a student shall be required to earn the minimum of **90** credits.
7. Evaluation of Bridge Courses shall be based in line with NUES mechanism. Institutions shall send these marks to the University as NUES Course, based upon the final MOOC Certificate. Detailed guidelines shall be approved by the Programme Co-ordination Committee.
8. The programme of study shall be governed by Ordinance 11 of the University.
9. Passing Marks shall be 40 out of 100 marks for every paper.
