Poster/Flyer/Notice*	

No. of Students* (only no. to be written, list in excel or word should be maintain at department level as proof for any further requirement)	48
No. of Faculty* (only no. to be written , list in excel or word should be maintain at department level as proof for any further requirement)	01
No. of External Participants (students + faculty) [write NA if not applicable]	NA
Geotag Photographs(with Caption)*	

Participants engaging in discussion and critical analysis of constitutional principles.

Report: Description in (min 250 to max 800 words)*

Constitution Day, observed annually to commemorate the adoption of the Indian Constitution, highlights the importance of democratic values, civic rights, and duties among citizens. Recognizing the role of education in strengthening civic awareness, **Tecnia Institute of Advanced Studies (TIAS)**, in association with the **UBA Club**, organized an **Awareness Activity in the form of a Debate** on **26 November 2025** at **Room No 1106, PG Building, TIAS Campus**. The activity provided a dynamic platform for students to discuss, critically analyze, and reflect upon constitutional values and their relevance in contemporary society.

The debate activity aimed to **instill values of social responsibility, inclusiveness, and ethical citizenship**. Students were divided into teams and deliberated on topics emphasizing the importance of constitutional literacy, fundamental rights, duties of citizens, and the role of youth in strengthening democratic governance. Through structured arguments, rebuttals, and presentations, participants developed a nuanced understanding of how the Constitution serves as the backbone of India's democratic framework.

Under the guidance of **Dr. Shalini Gupta**, students actively engaged in interactive discussions, critically evaluating issues such as equality, justice, liberty, and the responsibilities of citizens in promoting peace and harmony. The faculty member highlighted the practical significance of constitutional awareness in everyday life, encouraging students to uphold values such as empathy, tolerance, and respect for diversity. The debate format fostered **critical thinking, communication skills, and leadership qualities** among participants.

The activity strongly aligned with the **Mulya Pravah value of Global Citizenship**, encouraging students to recognize their role not just as members of the nation but also as responsible global citizens. By understanding constitutional principles and democratic values, students gained insights into the importance of law, civic responsibility, and ethical behavior in maintaining social cohesion and justice.

From a sustainability and educational perspective, the program contributed to **SDG 4 – Quality Education**, as it integrated **value-based civic education with participatory learning methods**. Through debate, students internalized critical concepts, enhancing their understanding of democracy, rights, and duties while developing communication, analytical, and leadership skills.

The outcomes of the activity were significant and multifaceted:

- Students demonstrated **enhanced awareness of constitutional values** and their practical relevance in society.
- Participants developed **critical thinking, public speaking, and collaborative skills** through structured debate sessions.
- By actively engaging with contemporary issues through the lens of the Constitution, students connected classroom learning with real-world social responsibilities.

In conclusion, the **Constitution Day Debate** was a meaningful awareness initiative that successfully blended civic education with interactive learning. The program reinforced TIAS's commitment to **value-based education, outcome-oriented learning, and fostering socially conscious, empathetic, and globally responsible citizens**. Such initiatives play a

	crucial role in nurturing informed youth who actively contribute to the development of a democratic, inclusive, and harmonious society.
