# A Text Book of Entrepreneurship Development

## Authors details

**Dr. Archana** is an Assistant Professor of Accounting and finance at the MotiLal Nehru Research and Business Administration, Department of Commerce and Business Administration, University of Allahabad, Prayagraj. She has 15 years of teaching experience. She is driven by her passion, by research puzzles and quite often by people around her. She has a keen interest in learning new skills, exploring other interdisciplinary areas and consistently working on improving her abilities to enhance her professional deliveries. She is also an active member of Lucknow Management Association, Indian Science Congress, Indian Accounting Association, Indian Commerce and Research Association. Her collaborations include the fields of finance, accounting, behavioural finance, exploring Indian knowledge and Indian management thoughts and practices.

**Dr. Shalini Gupta** is currently working as Associate Professor, Department of Management Sciences, Tecnia Institute of Advanced Studies, Rohini, New Delhi. She is Ph.D. in Management from Singhania University, Rajasthan. She did her M.Phil in Management, MBA in Marketing and HR from Kurukshetra University and qualified UGC-NET. She is having more than 18 years of teaching experience in Academics. Her areas of interest include Consumer Behaviour, Marketing Analytics, Service Marketing, Communication Skills and HRM. She has many publications in reputed journals and has attended several conferences.

**Amit Joshi** is a technology executive and academic working at the intersection of AI, Big Data, and digital transformation. He serves as CEO & CTO of ACME UNIVERSE and lectures in the IT Department at ISMA University in Riga, Latvia. His doctoral research in Business Management examines data-driven practices and AI adoption shape performance and governance in IT companies. Over the past decade, he has led product and engineering teams delivering secure, scalable software across Android, iOS, and web API platforms. Amit holds an MBA in Innovations & Entrepreneurship, is a Certified Scrum Master with PMI training, and contributes to European innovation projects that connect universities with industry. He teaches Programming for Data Science, Algorithms and Data Structures, and Information Protection & Cryptography, bringing research-led, hands-on learning to the classroom. He has also served as an associate editor for the peer-reviewed volume Modern Technology and Psychology Research in Education.

**Dr. S. Karunakaran** is currently serving as an Associate Professor at St. Joseph's Institute of Technology, Chennai, Tamil Nadu. With over 15 years of academic experience, he is a seasoned educator specializing in Marketing and Human Resource Management, and holds a Ph.D. in Marketing. He possesses a deep understanding of entrepreneurship and is dedicated to equipping his students with the knowledge and skills necessary for success. Dr. S. Karunakaran has actively contributed to academia by presenting numerous research papers at state, national, and international conferences. His work has been published in reputed UGC CARE journals, as well as in ABDC-listed and SCOPUS Indexed journal.
