Preface

The NSS Club's activities during 2024-25 reflected a strong commitment to social responsibility, inclusiveness and sustainability, in alignment with the principles of Mulya Pravah and the United Nations Sustainable Development Goals (UNSDGs). Through fourteen outreach and awareness activities held between August 2024 and May 2025, the club encouraged students to engage directly with societal and environmental issues and to develop empathy, leadership and a spirit of service.

Activities on national unity and cultural identity — the Independence Day and Republic Day celebrations, the Constitution Day Padyatra — advanced Goal 16: Peace, Justice and Strong Institutions, with Goal 4: Quality Education supported through International Literacy Day, International Peace Day, and the Education for All Campaign. Environmental and community welfare efforts, including Swachhata hi Sewa (Wealth out of Waste and Best out of Waste) and the Clean India Drive, contributed to Goals 6, 11, 12 and 13.

Under Goal 3: Good Health and Well-being, the club organised a Blood Donation Drive in association with Jan Jagriti Mission, a No Tobacco Campaign, and a Road Safety Awareness Campaign. The Distribution of Essentials and the Visit to the Orphanage and NGO for Girl Child addressed Goals 3, 5 and 10 through community welfare and gender equality. The principles of the National Service Scheme — community solidarity, collective responsibility and mutual care — continued to guide every initiative.

This report presents the initiatives, challenges and successes of the NSS Club over the year 2024-25, carried out on campus and in the communities of Bhalswa Dairy, Fatehpur Jat Village and Madhuban Chowk Rohini, through continued engagement with the principles of Unnat Bharat Abhiyan.

1. Introduction

1.1 National Service Scheme Club

The National Service Scheme (NSS), a Central Sector Scheme under the Ministry of Youth Affairs & Sports, Government of India, was inaugurated in 1969 during Gandhi Ji's Centenary Year. The scheme offers students at the technical, graduate and post-graduate levels an opportunity to gain hands-on experience by participating in government-led community service programmes. Since its inception, the NSS has gained significant momentum at the institute, empowering students to contribute meaningfully to society while developing a sense of social responsibility and leadership.

The NSS symbol is embossed on the NSS badge. The badge signifies the progressive movement in life across time and space — the cycle of life. Its 8 bars signify the 24 hours of a day, reminding the wearer to be ready for the service of the nation round the clock. The symbol stands for continuity as well as change, implying the continuous striving of NSS for social change, transformation and upliftment. NSS youth volunteers wear the badge with pride and a sense of responsibility towards helping the needy.

Before the start of any event or activity, NSS volunteers come together to take a pledge, symbolising their commitment to the values of the National Service Scheme — selfless service, equality, unity and social responsibility.

The motto of the National Service Scheme is **NOT ME BUT YOU.**

National Service Scheme has been established in TIAS as per the directions issued by the NSS Regional Centre, Ministry of Youth Affairs & Sports, Govt. of India, vide letter F.No. P-14/1/2016-17/NSS/RD dated 5 May 2016, to undertake innovative activities (Annexure 1).

1.2 Objectives

The broad mandate of the National Service Scheme is to:

- Cultivate a sense of responsibility through active community service.
- Foster connections with local communities to address their challenges.
- Promote environmental conservation and sustainable practices.
- Enhance leadership, teamwork and problem-solving skills.
- Raise awareness about critical social issues for a more inclusive society.

1.3 NSS Outcomes

The National Service Scheme at TIAS:

- Reinforced values of social responsibility, inclusiveness and sustainability.
- Engaged students and communities in eco-friendly and health-promoting practices.
- Inspired young minds to engage in nation-building and sustainable development, fostering responsible global citizens.

3. Future Plans

The NSS Club is committed to advancing its mission of fostering social responsibility, inclusiveness and sustainable development in line with the UNSDGs, Outcome-Based Education (OBE) and Mulya Pravah. Building on the experience of 2024-25, the club proposes to:

- Expand outreach in adopted villages and community areas: Increase the frequency of visits to Bhalswa Dairy, Fatehpur Jat Village and surrounding communities, with follow-up visits so that awareness campaigns on health, hygiene, road safety and cleanliness lead to lasting change.
- Strengthen partnerships: Continue and deepen collaboration with Jan Jagriti Mission, Sawan Dharmarth Aashram and government initiatives, including regular health camps and blood donation drives.
- Sustain environmental action: Build on the two Swachhata hi Sewa activities to promote waste segregation, upcycling and cleanliness drives in schools and community spaces.
- Promote digital and financial literacy: Expand the E-Awareness Samvad model to more community groups and include digital payment safety workshops.
- Widen student participation: Involve more students across programmes and years through orientation, leadership roles for student coordinators and regular reflection sessions.
- Inter-college engagement: Build on Constitution Day and Republic Day activities by inviting more institutions and extending the reach of outreach campaigns.

By building on these plans, the NSS Club aims to remain a key driver of social change, ensuring that inclusivity, sustainability and community development stay at the core of its mission.

4. Conclusion

The NSS Club's activities in 2024-25 addressed important societal needs while fostering personal development and social responsibility among students. Fourteen activities — spanning outreach and awareness programmes — engaged students, faculty and community members across multiple events, achieving meaningful social impact aligned with the UNSDGs and Mulya Pravah.

National unity and civic values were promoted through the Independence Day and Republic Day celebrations and the Constitution Day Padyatra (Goals 4 and 16). Literacy and educational outreach were advanced through International Literacy Day, International Peace Day and the Education for All Campaign (Goals 4, 9, 10 and 16). Environmental responsibility was reinforced through two Swachhata hi Sewa activities and the Clean India Drive (Goals 6, 11 and 12). Health and well-being were addressed through the Blood Donation Drive, No Tobacco Campaign and Road Safety Campaign (Goal 3). The Distribution of Essentials and the Orphanage visit promoted empathy, community welfare and gender equality (Goals 3, 5 and 10).

By combining the principles of Mulya Pravah with meaningful action, the NSS Club contributed to nation-building, community upliftment and the growth of responsible global citizens. Looking ahead, the NSS Club remains committed to driving meaningful change and empowering communities through initiatives that promote equality, sustainability and inclusiveness.
