6	Ms. Rajni	Assistant Professor	9999231499
7	Mr. Indraprakash Srivastav	Assistant Professor (Nodal Officer)	8178090698

Agenda Points:

1. Discussion on the Academic Session 2024-2025

Academic session 2024-2025 was an engaging and enriching year of exploration and innovation. Throughout the academic session, the Technical Club organized a wide range of activities and workshops that aimed to foster a passion for technology and its applications among the students.

Workshops and Training Sessions: Several workshops were conducted on various topics, including robotics, artificial intelligence, IoT and cyber security. These sessions allowed the participants to enhance their technical skills and gain practical knowledge.

Guest Lectures: Distinguished speakers from the industry and academia were invited to deliver insightful talks on emerging technologies, industry trends, and career opportunities in the tech sector. These lectures provided valuable insights and exposed the students to real-world applications of technology.

The closing of the academic session of our Technical Club was a resounding success, and it would not have been possible without the enthusiasm, dedication, and collaboration of all the members involved. The club's activities have significantly enriched the technical knowledge and skills of the participants and contributed to the overall growth of the institution.

As we conclude this academic session, we eagerly look forward to the next year, where we aim to build upon our successes and bring even more innovative and exciting opportunities for all members of the club. Technical Club event certificates were issued by the Technical Club under the ICT Department, and Technical Club event reports were uploaded on the website.

We extend our heartfelt gratitude to everyone who supported and participated in the activities throughout the year. Let us continue to foster a spirit of curiosity, creativity, and exploration in the world of technology.

2. Discussion of Technical Club activities to be conducted in Academic Session 2025-26.

Discussed and finalized the Technical Club activities to be conducted in session 2025-26:

1. TIAS Hackathon 2025 – “Vision X Future-A-Thon”
2. Institutional Fraud Awareness Campaign & Expert Talk Session (with Cyber Cell, Delhi Police & Bajaj Finance Ltd.)
3. TIAS Hackathon 2025 – “Battle Bytes”
4. Technical Club Orientation & Induction Program 2026
5. Webinar on DevOps 360: Foundations & The Road to AIOps
6. Webinar on Reactive Java: Building Scalable & Responsive Systems

3. Discussion on Technical Club volunteers.

Discussion was held on how to choose volunteers for the Technical Club and on the rules in the manual for finalizing the volunteers. All members gave their suggestions, and it was decided that volunteers will be taken from each course of the institute.

4. Discussion on events in Technical Club calendar.

The Technical Club provides a manual in which various events are predefined, so all members discussed and finalized the events for the Technical Club calendar of session 2025-26.

5. Discussion on core committee members.

Discussion was held on core committee members and on any problems or questions raised by members. Information was disseminated to all the nodal officers for uploading the report of each activity on the institute website within three days of the event, and for uploading the photos of the event on social media such as Twitter, Facebook and Instagram.

6. Discussion on any other matter with the permission of chairperson.

All the resolutions and minutes are put up in front of the Institutional Academic Committee for approval.

Mr. Indraprakash Srivastav
(Nodal Officer, Technical Club)
