Outreach Report on "Tree Plantation"

Title of Activity*	"Campaign for Tree Plantation "
Event – Awareness/Outreach	Outreach
Program Theme*	"Planting Trees for a Greener Tomorrow and Sustainable Future"
In association with (Dept./ Centre/ Cells/Clubs/ Committees Name)	UBA
Objectives	• To promote environmental sustainability through tree plantation. • To increase awareness about the importance of trees in maintaining ecological balance. • To encourage community participation in environmental conservation activities. • To educate villagers about the benefits of afforestation and biodiversity conservation. • To inspire students and community members to adopt environmentally responsible practices.
Mulya Pravah	• Environmental Responsibility • Sustainability • Community Service • Social Responsibility • Cleanliness
UNSDG	• SDG 13: Climate Action • SDG 15: Life on Land • SDG 11: Sustainable Cities and Communities • SDG 3: Good Health and Well-being • SDG 17: Partnerships for the Goals
Outcomes with its impact	The tree plantation drive contributed to enhancing environmental awareness among villagers and students. The planted saplings will help improve air quality, reduce pollution, prevent soil erosion, and support biodiversity in the long run. The activity encouraged community participation in environmental conservation and instilled a sense of responsibility towards nature. Overall, the initiative promoted sustainable development and created awareness about the importance of protecting the environment for future generations.

Students at the Village for Tree Plantation

Students Planting Trees

**Report: Description in
(min 250 to max 800
words)***

The **Tree Plantation Drive** was successfully organized on **14 February 2026** at **Village Khampur** by **Tecnia Institute of Advanced Studies**. The outreach activity was conducted with the objective of promoting environmental awareness and encouraging sustainable practices among community members.

The event was guided by **Ms. Ramika Verma (NSS Club Programme Officer)**. The drive was motivated participants to contribute actively towards environmental conservation.

Students from various programmes enthusiastically participated in the plantation activity. They planted saplings of different species at designated locations in Village Khampur and interacted with local residents to spread awareness about the significance of trees in maintaining ecological balance. Participants highlighted the role of trees in reducing pollution, conserving biodiversity, improving air quality, mitigating climate change, and creating a healthier environment.

The programme included awareness sessions and interactive discussions on the importance of afforestation and environmental protection. Students encouraged villagers to take responsibility for nurturing the planted saplings and adopting eco-friendly practices in their daily lives. The activity fostered a sense of environmental stewardship among both students and community members.

The villagers actively participated in the drive and appreciated the efforts made towards improving the local environment. The plantation activity not only enhanced the green cover of the area but also strengthened the bond between the institution and the community through meaningful engagement.

Despite challenges such as ensuring adequate space and future

	maintenance of the saplings, the event successfully achieved its objectives. The drive provided students with practical exposure to community service and environmental responsibility while creating a positive impact on society. Overall, the Tree Plantation Drive at Village Khampur was highly successful and contributed significantly towards environmental sustainability, community participation, and the promotion of a greener and healthier future.
